## TRANSVAAL WAR.

General Lord Kitchener Narrowing the Circle Around De Wet and Steyn—Canadian Casualties.

CAPE TOWN, Aug. 3.—Liebenberg's commando attacked Gen. Smith-Dorrien near Potchefstroom, but was easily repulsed. Gen. H. H. Hamilton has gone to Rustenburg to bring away Baden-Powell's garrison. Seven hundred and fifty additional Boers have surrendered to Gen. Hunter.

LONDON, Aug. 3.—An official despatch from Lord Roberts, dated Pretoria, Aug. 2, gives the title of Gen. Smith-Dorrien's repulse of Boers as July 31. The despatch says: "In the morning a flag of truce came to Smith-Dorrien's camp demanding his surrender. Before he could reply the Boers opened a heavy fire. The British met with slight opposition at Vithoelnek. His casualties were light."

Pringle's offer to surrender, and that his force intends to continue the war. He has taken up a position between Harmsburt and the Newmarket road. Lt. Col. Rundle is now following him."

NEW YORK, Aug. 4.—Richard Harding Davis, the correspondent, and his wife, were passengers on the steamship New York, which arrived today. Mr. Davis had returned from South Africa. He left there in July and since then has been at Naples and the baths at Aix-Le-Bains.

"I left the Cape and went into the Transvaal," said Mr. Davis, "because I was not allowed to send out truth as to what was going on. The fact is that I was not allowed to state the truth as to what was going on. When I got in the Transvaal and saw things as they were, I wrote pro-Boer stories and for that reason it was said that my feelings had been hurt while with the English. But that is not so."

LONDON, Aug. 4.—The Lourenço Marques correspondent of the Daily Express, writing Saturday, says: "Transvaal advises declare that Gen. Baden-Powell was wounded during a recent engagement at Rustenburg, when the Boers, according to their account, took some prisoners and captured 324 wagons."

## MOST IMPROBABLE!

Member of the Canadian Mounted Infantry Makes a Terrible Charge Against Some Comrades.

Says Twenty of the Men Were Sentenced to Ten Years Imprisonment for Forging Lord Roberts Signature and Selling Arms to the Enemy.

OTTAWA, Aug. 6.—A terrible story affecting the honor of the men of the 1st Battalion, C. M. R., is told in a letter received by an Ottawa gentleman today from his son, who is a trooper in the regiment. The letter is dated Pretoria, July 6th. It states that twenty men of the C. M. R., originally drafted from the Royal Canadian Dragoons, have each been sentenced to ten years' imprisonment for one of the worst offences known in warfare. It is said that they forged Lord Roberts's name to a command and order, which they executed upon a number of Boer farmers, as a result of which they secured arms and a large quantity of supplies, and the story goes that they then sold them to the Boers in the field. The report on its face seems incredible, but is told by the writer with great circumstantiality. The government has no information on the subject, and it is to be hoped, for the sake of the fair fame of the Canadian militia, that speedy denial will be forthcoming.
