 J. M. Johnson of Calais
 Paid \$4,000 For Her.
 He Bid \$31,000 For Bingen But Did
 Not Get This Trotter—Secured
 Some Other Good Ones.

READVILLE, Mass., May 23.—Seven-year-old blooded horses, the entire complement of the famous racing stable and stock breeding farm of the late J. Malcolm Forbes of Boston, were sold under the hammer at the Trotting Park here today. The horses brought \$118,450, or an average of \$1,532.23.

A feature of the sale was the persistent bidding of New England horse breeders.

The highest price of the day, \$32,000, was commanded by Bingen, the first animal sold. Bingen is a brown horse with a mark of 206-4. He is 11 years old, sired by May King (2.30), out of Young Miss, by Young Jim. Arthur H. Parker, a well known horseman of Bedford, was the successful bidder. J. M. Johnson of Calais bid \$31,000.

Unusual interest centered in the bidding for Nancy Hanks, the famous mare that at one time held the world's record. This splendid old pacer was knocked down to J. M. Johnson, the mayor of Calais, Maine, for \$4,000. Mr. Johnson also purchased Lord Roberts, a bay colt foaled by Nancy Hanks and sired by Arion. The price in this instance was also \$4,000. Nancy Hanks and five of her foals, Markala, Faena, and Lord Roberts, Marion and Princess of Monaco, together brought \$16,325. Marion and two of her foals, Vice-Commodore and Albia, sold for \$11,300.

Only two sales outside of the Forbes' collection were made today.

The sale will be continued four days longer, during which time some of the Thomas W. Lawson's stock will be sold.

BORN IN NEW BRUNSWICK.
 Rev. A. H. Washburn, Formerly of St. Martins, Died in Oregon.

A recent issue of the Evening Herald of Baker City, Oregon, contains the following death notice of a former St. Martin's man:

Rev. A. H. Washburn died this morning at 10:05 o'clock at the residence of his son, W. H. Washburn, at 1523 North street.

Rev. Washburn was born in St. Martin's, New Brunswick, 80 years ago, and for many years has labored in the ministry, having embraced the Baptist faith many years and which he practiced the hour of his death.

He was taken suddenly with pneumonia a few days ago and death followed this morning. He had never been above sea level before, and it is thought that the high altitude of this place had something to do with his early taking off.

Deceased is survived by his wife and five children: W. H. Washburn, S. H. Washburn, J. H. Washburn, Mrs. Fred Schmickle, Mrs. J. H. Floyd, Mrs. James A. Dewey, Mrs. Thomas Brown, Mrs. Minnie Washburn. Y., was dying. Warren left at once for home.

Miss Nellie Barsalona Gives Interesting Interview
 TELLS HOW SHE WAS CURED OF KIDNEY DISEASE AFTER DOCTORS FAILED—FEROZ ONE ALONE RESPONSIBLE FOR HER RECOVERY—IT CURED PERMANENTLY.

Miss Nellie M. Barsalona is well known in her native city of Montreal, where every doctor of reputation tried to cure her. But they didn't succeed. This conclusively proves that "feroz" must certainly be an absolute cure for kidney trouble.

Six months ago I noticed lameness and dragging pains across the small of my back," writes Miss Barsalona. "I felt weary and completely worn out. It wasn't work that made me so tired, nothing but defective kidneys. I took the doctors' treatment, and used dozens of articles I read of for the kidneys. But in spite of this I kept getting worse. Then I used Feroz. It was three weeks before I was perfectly satisfied it was helping me, but after that I improved steadily and got well. I know of no better remedy than Feroz, which has improved my health immensely and saved me from Bright's Disease."

Next to consumption, kidney disease is the most fatal. Many a life has been lost simply because the unfortunate victim of deranged kidneys wasn't aware of his perilous condition in time. Here is a simple test. Put some urine in a glass and let it stand for twenty-four hours. If it shows green floating about, looks milky or cloudy, then contains an sediment, your kidneys are diseased. Don't risk your life with doubtful remedies, use Feroz, which doctors admit is the quickest and most certain cure. Feroz contains in scientific combination the most valuable agents known for the kidneys. This explains its marvelous cures and universal success. Feroz is guaranteed and sold at 50c per box or six boxes for \$2.50, by all druggists. By mail from N. C. Ferson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

BUSINESS DULL.
 All Lines in the States are Very Quiet.

New Steamship Service From Halifax and Yarmouth to New York.

BOSTON, May 23.—The industrial situation which has been anything but encouraging this spring in these parts, does not improve rapidly. Business has not come to full stop by any means, but in some lines there is next to nothing doing, while on the other hand several branches of trade are fairly active. Many of the mills are still running four days weekly and the idle machinery is being added to the stock without help from experts seems to be that the textile industry will have a long, dull summer of it. The railroads are also laying off men all over the States. The Pennsylvania railroad company, which owns the largest railway system in the world, has just issued orders to lay off 10,000 men, and several thousand are now being discharged by the New York Central from Boston to the lakes. In this state and Rhode Island nearly 50,000 mill hands are working but four and five days weekly. In view of a ten per cent reduction in wages made last fall, there is a heavy falling off in business in the mill towns and poor farmers in many instances have had to appeal to the authorities for assistance. Little improvement is expected in business before next fall winter. No violent slump is anticipated, but it is expected that the general dullness will be more apparent.

LETTERS FROM THE PEOPLE.
 Sunday Restaurant in the Park.

To the Editor of the Sun:
 Sir—Fair Play, writing in your paper, says that two new men from the United States taking a hand in teaching the citizens of St. John how to behave themselves, or to be religious. And why not, pray? The United States sends missionaries to Turkey, China, Persia and Japan, etc., and why not to New Brunswick? Do our people occupy such a high moral plane that we have no need for such a park restaurant on Sunday for the sale of light refreshments, and that there are others who would like to be able to attend religious services on Sunday out of seven. What a place St. John must be for the working man who can only procure light refreshments one day in the week and that day the Christian Sabbath?
