**To the People Living on an Income, Compliments of G. Barbour.**

Ladies and Gentlemen:

The present high cost of living affects you perhaps more seriously than any other class, especially as it happens in many instances because of infirmity or old age you are unable to take advantage of high wages, and your income which a few years ago gave you a comfortable living is now inadequate to give you the comforts you formerly enjoyed. Perhaps you are inclined to blame the farmer who it is said is getting rich owing to the big prices he receives for his produce. If farming is so profitable why do our city people who are anxious to make money not go into farming. The chances are good.

Plenty of farms hunting buyers at the cost of the buildings and improvements. This means the land for nothing. We can say in the words of our deceased Minister of Agriculture to one who was giving him free advice, "The water is warm you may come in."

**Mason & Risch Pianos**

"FROM FACTORY TO HOME"

**The Mason & Risch Piano**

has established itself as an instrument of exceptional worth. In-built quality explains its leadership. It is an instrument for those who want not just an average piano, but a piano FAR ABOVE the average, yet at a reasonable first cost, and with that real economy which makes it easy to own.

"It comes to you from Factory to Home, saving all middlemen's profit and thus it reacts upon your pocketbook as well as upon your joy in the possession of 'The Best Piano Built.'"

Nukul has climbed from a mere idea to a high position. Factory No. 1 in Toronto will turn out Nukul soon at the rate of 300 tons daily. \$100 is the price for shares to-day and Saturday Monday the price will be \$1.25. Do you remember when we advertised Nukul shares at 30 cents? It won't be long when Nukul will be advertised at \$2.00 and over, later, much higher. The scarcest article in Ontario is Fuel. A Walker-ville business man who bought Ford when it began, picked Nukul for another winner. Get full particulars from S. A. Brubacher. 2ts.

**In Memoriam**

In loving memory of Alberta Scoble Schultza, who died one year ago to-day, October 17th, 1918. Beyond the bright and pearly gates Where Jesus loving Saviour waits, She has gone with peace to share, Her home is there, her home is there, The beautiful home where all is fair, Free from all ill and life of care, Her rest is in Heaven, her rest was not here.

Though she has gone she will always be dear,  
Short and sudden came the call  
Of one so dearly loved by all  
And only those who loved can tell  
The pain of not saying a last farewell.  
Thought of hers in our love have part,  
Her memory will always be dear in each hour.

Parents, sisters and brother.

A vote for the farmer's candidate is a vote for government by the people. 2ts.
