**Gold Soap**

Gold Soap is made of the best materials from which laundry soap can be made. That is why it does better, quicker work, and has so many constant users. Another reason is because the cake itself is larger, and gives you more soap for the price than you can get in any other cake.

W. AVES, OVR.

'Fruit-a-ives', and am entirely well."  
G. W. HALL.

**Service**

At the E.B.C. service is not a thing supplied by any one individual, but by all. It is not special attention to any one pupil, but to all. E.B.C. service means the most efficient teachers and equipment. It means the limit of courteous, efficient attention.

**WON AT NEW HAMBURG.**

The Union Jacks journeyed to New Hamburg last evening and played the return exhibition game with the sixtetto in that town. They were victors by 10 to 8. The score by periods was 6 to 2 7 to 3 and 10 to 8.

The game was a good exhibition of hockey, both teams putting up a strong game. The homeboys putting up a strong game.

The Union Jacks played the majority of the usual line-up but tried out some new men. Paugel was out and made a good showing.

Another try-out was Dahmer of Waterloo.
