

SUNDAY SCHOOL LESSON

LESSON XII.—JUNE 21, 1908. Summary.—Lesson I. Topic: Jesus Christ the only true Saviour. Place: Jerusalem. Jesus tells them that he is the Shepherd of the sheep; he is also the door; the Pharisees and false professors were the thieves and robbers trying to destroy the sheep. Those who trust in Christ and enter in through the door shall be saved. II. Topic: Jesus' meeting human need and weakness. Place: Bethany, near Jerusalem. Lazarus was sick and his sisters, Mary and Martha, sent to Jesus informing him; Jesus remained in Bethany two days; then took his disciples and went to Bethany when he arrived in Bethany Lazarus had been dead and buried four days. III. Topic: True service to Jesus Christ. Place: Bethany, at the home of Simon the leper. Jesus is again in Bethany and a feast is provided for him and his disciples; Lazarus who was raised from the dead sat with him at the table; during the supper Mary anointed Christ's head and feet with ointment. IV. Topic: The right spirit in the believer. Place: An upper room in Jerusalem. Jesus and his disciples are about to partake of the Passover supper; the disciples disputed over which should be the greatest, and Jesus teaches them the greatest and most important lesson in humiliation by rising and washing their feet. V. Topic: The believer's supreme comfort. Place: Jerusalem. Jesus talked with his disciples after the supper was ended; they were filled with sadness at the thought that he was about to leave them and saddened because Judas had proved a traitor; Jesus promises them a home in heaven. VI. Topic: Mission and missions of the Holy Spirit. Place: Jerusalem. Jesus promises to send the Comforter, who would testify of him, and receive the word in his heart. There is power in the gospel of Christ to redeem the world. VII. Topic: False and true professors. Place: Gethsemane and the palace of Caiaphas. It was in the middle of the night, Judas and a band of Roman soldiers came to arrest Jesus; they have torches and weapons; Jesus shows himself to them; they fall backwards to the ground. VIII. Topic: Fact and purpose of Christ's death. Place: Calvary. Christ goes forth bearing his cross; a great multitude follows; he was crucified at nine o'clock; two thieves were crucified with him; Pilate wrote the title in Hebrew, Greek and Latin; the soldier's tunic; Christ's tunic; Psalms 22: 18 is thus fulfilled; Jesus provides for his mother. IX. Topic: Divine voices in the resurrection. Place: A garden near Calvary. Mary Magdalene stood near the tomb weeping; she looked into the sepulchre; saw two angels in white; they asked her why she wept; she replied that they had taken away her Lord and she did not know where they had laid him; turning she saw Jesus, he spoke to her as the gardener; he asked her name; she knew him; he sent her to tell the disciples he had risen. X. Topic: A personal vision of Christ. Place: Jerusalem. It is the evening of the resurrection Sunday; the disciples assembled; Thomas absent; Jesus enters; shows his hands and feet; blesses them; gives them authority over sin; Thomas would not believe; one week later Jesus appears again; Thomas presumes; sees Christ and is convinced that he has really risen; Jesus pronounces a blessing on those who believe though they have not seen. XI. Topic: Christ dealing with his disciples. Place: Sea of Galilee. Here occurred our Lord's seventh appearance after his resurrection; the miraculous draught of fishes; Jesus provided a morning meal for his disciples; Jesus' charge to Peter; Peter's death foretold. PRACTICAL APPLICATIONS. Golden Text. "But these are written that ye might believe that Jesus is the Christ, the Son of God, and that believing ye might have life through his name" (John 20:31). Let the word "if" be the keynote for the review. I. Life given for life. "I am the good shepherd; the good shepherd giveth his life for the sheep" (John 10:11). He gives his life a ransom for many (Matt. 20:28). The shepherd dies that his sheep may live (John 15:13). A man of God halted at the door of a log house in a clearing, and said to the woman who answered his call, "Have you seen anything of a lost lamb about here?" "No, sir," was the reply, "but I am sure you have seen no lost lamb about here?" She said she had seen none. "Are you certain there is no lost lamb about here?" he inquired the third time, in tones so full of meaning that they touched her heart, and led her to confess with tears that she was the lost lamb for whom the good Shepherd even then was seeking. There are many lost lambs. II. Resurrection and life. "Jesus said unto her, I am the resurrection and the life" (John 11:25). It was not a question of time. He could as easily raise Lazarus that day as the last day, for He, the resurrection, the power, to impart, maintain and restore life was there. He would teach Martha that the resurrection was not an impersonal fact to take place in the future, but a personal effect proceeding from himself; not a distant resurrection-time, but a present resurrection-power. III. Life and service. "Who hath done what she could" (Mark 14:8). God will use what you have if you lovingly do your part. IV. Life and love. "By love serve one another" (Gal. 5:13). Human love cannot attain to all this. We must obtain divine love. We must "abide in His love" (John 15:10). V. Life and heaven. "In my Father's house are many mansions" (John 14:2). Faith in Christ here leads to life with Christ hereafter. VI. Life by the Spirit. When Jesus went to the Father He sent the Comforter, the Holy Spirit, to give life to the world. VII. Life and power. "As soon then as He had said unto them, I am He, they went backward, and fell to the ground" (John 18:6). The soldiers fell backward; Jesus demanded protection for His dis-

GETS A CHANCE. CANADA'S GREAT CELEBRATION.

PRISONER'S LAWYER USED PATHE-TRIC STORY TO INFLUENCE JURY. The Judge Probed the Case, and Now Gives Thos. Anderson a Chance to Repair a Great Wrong or Go to Prison for Long Term. Woodstock despatch: Judge Finkle, of Oxford, wherever possible tempers justice with mercy. This afternoon Thos. Anderson, a young man whose home has been in Tillsonburg, came before him charged with highway robbery. The Crown alleged that a few months ago he, with three others, conspired to rob John Birks, a farmer near Tillsonburg, on the way home from that town. Some \$30 were secured. Two of the men were promptly arrested and sentenced to terms at Kingston. The Crown claimed that while perhaps Anderson had no actual part in the robbery, he knew it was coming off and was guarding the road. In addressing the jury Mr. W. C. Brown, of Tillsonburg, most pathetically told of Anderson's old mother waiting down on the farm for his return, and of his wife, who was also waiting, just about to become a mother. This was a surprise, as previously Anderson had said he was a single man. The jury went out, and in a few minutes returned with a verdict of guilty. In the meanwhile Judge Finkle had questioned the Chief of Police of Tillsonburg, and found that the girl is not the man's wife. The judge sent Crown Attorney Ball to the prisoner with a proposition, which was that if he would marry the girl she would be suspended. The man said he would not, but he was given a chance to think it over, and judgment was reserved. He was given ten days to marry the girl. If at the end of that time the ceremony has not been performed, or if he cannot produce a marriage certificate, the Chief of Tillsonburg has instructions to bring him back before Judge Finkle to be sentenced.

AWFUL DEATH

Woman Falls Upon Lighted Lamp and Is Fatally Burned. Lockport, June 15.—Miss Celia Dwyer, of No. 160 Allen street, was terribly burned and died at her home to-day. She was walking down the cellar stairs with a lighted lamp in her hand when in some manner she tripped and fell onto the lamp. Her clothes caught fire, but in efforts to prevent the flames setting fire to the house she ran to the yard, the motion of her body serving to fan the flames on her clothes. She threw the lamp away and screamed for help. When neighbors rushed to her assistance every vestige of clothing had been burned from her body. They extinguished the remaining flames of means of carpets. Dr. Palmer was called and found that every inch of surface of the woman's body was fearfully burned excepting a small part of the face. She died at 3.30 o'clock this afternoon.

ROBBED OF \$6,000.

A CANADIAN HOTELMAN ASSAULTED IN BOSTON. John H. Lane, of Richmond, Que., Beaten by Thugs in Boston—Sustained Injuries of Which He Will Probably Die. Boston, June 15.—John H. Lane, proprietor of the Brunswick Hotel at Richmond, Que., and a prominent horse breeder, was assaulted and robbed here early this morning by thieves who got \$6,000 from him. Lane was found unconscious on the street at 3 o'clock this morning. He was taken to the General Hospital, where he recovered sufficiently to tell that three men had held him up, taking the \$6,000 he had in cash and a gold watch valued at \$200 presented to him by a friend in 1902. After that he relapsed into unconsciousness and has not yet recovered. The physicians say he has a fractured skull, and the probabilities are that he will not recover. Lane came here yesterday morning. He stopped at the Fouraine Hotel and told friends who visited him that he had come here to buy two brood mares and a stallion that he had had his eye on for a long time. He went out early in the evening and did not return. So far the police have been unable to find where he spent the first part of the night. A general alarm for his assailants has been sent out, and about fifty thugs have been caught in the dragnet. So far no one has been caught on whom the slightest suspicion rests.

AN ANCIENT SHIP.

Klondike Miner Brings Word of a Strange Craft. Seattle, Wash., June 15.—Practical confirmation of a weird story growing out of the earlier days of the Klondike gold stampede, of the finding of the hull of a ship high upon the hills within the Arctic circle, is made by N. J. Brown, a well-known miner, just arrived at Dawson. Brown located the strange craft, which, he says, is still in a fair state of preservation, on a hillside overlooking a chain of lakes from 40 to 50 miles from the head of the Chanderah River and possibly 200 miles from the Arctic circle. Brown says the big structure has crude doors and windows in the upper works similar to those of a ship, and bears letters or hieroglyphics which he translates by those who have seen it, Russians and natives alike.

UNCLE NARCISSE PAYS FORFEIT.

Montreal Man Gives His Nephew a Wheelbarrow Ride. Montreal, June 15.—A unique election bet was paid here as a result of the recent election in St. James' division. Mr. Narcisse Moreau, a G. W. supporter, wheeled his nephew, Mr. A. Amoyot, from Canning to Seigneur's street. Large crowds witnessed the carrying out of the bet.

Bradstreet's Trade Review.

Montreal—General business is fairly steady in character and still limited in volume. Bright warm weather has further helped the dry goods business, and the sorting trade is more active in all summer goods. Prices generally hold steady. The outlook for fall trade is rapidly taking on a brighter tone. Orders are already good and there is now but little doubt that later business will be nearer the volume of last year. Toronto—The business outlook here grows brighter as further reports of excellent crop conditions come from all parts of Canada. Business houses having representatives in the west report an excellent prospect for fall trade here. Good weather has helped. The retail movement of summer lines and sorting orders are showing a wider range. Fall trade in dry goods is encouraging. Ontario crops are looking well and prospects through the Province are steadily improving. This is reflected in somewhat greater activity in all lines of Provincial industries although there is not yet the briskness noted a year ago. Winnipeg—Crop reports from all parts of the country are exceedingly bright, and the general business situation is taking on an optimistic tone accordingly. Vancouver and Victoria—General business has had a slightly quieter tone during the past week, and collections are slower than was the case earlier in the month. The money stringency affected this part of Canada much later than it did the east, and it is reasonable to expect its effect will be longer wearing off. Quebec—A falling off is reported in wholesale circles, which is attributed to the withdrawal of many travellers on the road, which is usual, previous to the elections. Hamilton—Wholesale and retail lines have been moving more freely during the past week. The sorting trade for summer goods has improved and reports of all prospects are cheerful. Produce comes forward fairly well, with prices holding about steady. London—Business is steady, and, on the whole, of a satisfactory character. Ottawa—While the volume of business there is not yet heavy, it continues to show growth.

ANTI-GAMBLING.

Senator Foelker Rises From Sick Bed to Vote.

Albany, June 15.—Senator Foelker suffered a collapse soon after reaching the house. At midnight Dr. Murphy said: "The Senator has undertaken a task beyond his strength. He should never have undertaken this journey. He is suffering from nervous shock and is a very sick man." At a late hour the opponents of the race-track bills are freely offering bets that Senator Foelker would not be present to cast his vote, and that the bills would again fail of passing by reason of a tie vote—25 to 25. Foelker Voted. Albany, N. Y., June 15.—Senator Foelker, of Brooklyn, reached the capital a few minutes before the stroke of noon and at 12:05 p. m. in the Senate chamber voted "No" on a motion to attend and thus virtually killed the first of the Agnew-Hart anti-gambling bills. It looks now as if the bill would certainly pass. The first bill was then put upon its final passage, Foelker voting aye. The first bill passed 25 to 25. The bill was declared passed at 12:45 by a vote of 26 to 25. Foelker's grat and the vote of the new Senator, Wallace, had saved the day, and the signature of Governor Hughes, of course, taken for granted, will put the bill upon the statute books. Even should the bill be defeated, the discrimination which for thirteen years has protected public gambling at race tracks would be repealed by the first bill, which destroys the "exclusive penalty" which has been the crux of the situation.

FIVE KILLED

In Railway Wreck in Belgium—Injured Saved From Fire.

Tournai, Belgium, June 15.—A railroad wreck near here to-day resulted in the killing of five persons and the wounding of several others. A passenger train from Mons ran off the track and several cars were demolished. The wreckage immediately caught fire and was entirely consumed. It was with much difficulty that the wounded were removed from the wreckage before the flames reached them.

WERE POLICE BRUTAL?

St. Catharines despatch: The general sessions concluded this evening. James Morgan was found guilty of assault and resisting arrest. The jury in their verdict recommended mercy, on the ground that the police in making the arrest had been quite rough with the prisoner. The judge said he could not overlook the jury's request, but was of the opinion that the police should be protected, and that in taking Morgan it had been necessary to use unusual force. A boy, Arthur Slater, was found guilty of forgery, but owing to his youth was let go on suspended sentence. In the case of Norris Stevens, charged with the theft of a note by John Durusha, the judge reserved sentence.

HEAD CAUGHT BY ELEVATOR.

Girl Probably Fatally Injured in London Cigar Factory. London, June 15.—Hannah Pollock, a young Polish girl, was so seriously injured by being caught by the elevator at McNeel's cigar factory this morning that she will not recover. The girl looked into the elevator shaft, and before she could withdraw her head, it was caught by the descending elevator, and her skull fractured. The girl only came here a few days ago, and could not speak English.
