## THINGS NEW and USEFUL in the NEW FALL CATALOGUE

Sending your orders to this store gives you the benefit of the same prices for the same goods as are sold over the counters in Toronto. You obtain the advantage of the most recent notions of style direct from Paris and London. The latest touch of daintiness in shape, trimming and color are given to our millinery almost as soon as they appear in those fashion centres, because of our buying offices there which keep us posted on what is doing in the dress world.
