

Kalamazoo Point Number Four

The Kalamazoo

Loose Leaf Binder has great expansion

(note the big stretch)

Expansion is one of the chief features in a loose leaf binder, and one make is said to be superior to another if its expansion is greater.

The expansion of the KALAMAZOO binder is practically unlimited, for it will hold any number of sheets from one to one thousand—just as many as one requires for use. With this binder there is neither minimum nor maximum, and the necessity of the office is the only limit to its capacity.

Examine it thoroughly before deciding, for it is the last word in loose leaf binders.

Ask for Booklet "CI" describing the binder, and giving a partial list of firms using the Kalamazoo.
