	9-6-41		Clear with high winds. Normal flying all day. Air Commodore Edwards, W/C Macfarlane and W/C Siseley came out to inspect Security Guard operations, including the re-location of the watch towers. The A.M.P. was much interested in a Colt tommy gun and fired a number of rounds in the machine gun pits. Group Captain Sully and S/L Dawes from A.F.H.Q. paid us a visit.	
	10-6-41		Weather clear. Normal flying. While carrying out night flying circuits early this morning, LAC Campbell, F.Y. (R62938) ground-looped Harvard 2630, a "C2" crash. Eighteen aircraft, with instructor pilots participated in formation flight for Fox Movietone News. The photographers were in a Norseman aircraft which was never able to keep up with the formation to get pictures.	X
	11-6-41		Weather clear and flying normal. Mr. J.A. Wilson, Director of T.C.A. accompanied by Mr. Larougetelle made a visit to this Station. Wing Commander G.N. Irwin arrived to spend a few days with us prior to taking over his new station at Aylmer. Another formation of eighteen planes was more successfully photographed when the photographers were taken up in a Lysander. During their visit, they also took pictures of maintenance crews at work. LAC Campbell, F.Y. (R62938), while on a solo cross-country flight, became thoroughly lost, but landed safely near Sydenham Ontario. Flying Officer MacNaughton and Sergeant Freese flew to the scene in
