Hon. H. H. Horsey,
The Senate,
Ottawa, Ont.

Dear Senator Horsey:

There is at 1036 Dorchester St. Montreal, a Miss Esther Mackie. She is a niece of the late Senator Watson, and has been living in England for some time, I believe working there. She is most anxious to do some speaking to stir up interest in this country, along the line of our Committee's objective. I think she would be better in Ontario than in Quebec.

You might make enquiries, and if satisfied, hand her name to the sub-committee for Ontario, with your approval and mine.

I knew Miss Mackie well in earlier days and have not the least doubt she will be deadly in earnest.

Senator Watson was Liberal Senator for Manitoba, living in Portage la Prairie for many years, and was something of a friend of Sir Wilfrid.

Yours very truly,

AM/E.
