Mr. S. P. Williams,  
c/o Toronto Board of Trade,  
Members' Rooms,  
Toronto, Ont.

Dear Mr. Williams:

I have your personal letter of 11th. I suggest you address a letter to Canadian General Securities (England) Limited, Sun Life of Canada Building, 2-4 Cockspur Street, London, England, for the attention of Major J. A. MacDonald, and state what help you think you could be in the disposal of the shares of Dominion Mining Shares in England. We cannot make any engagements in this matter as the selling of the shares is entirely in the hands of Canadian General Securities (England), to which Company we do not and cannot dictate in any way.

Yours very truly,

AM/E.

President.
