October 20, 1914.

Dear Mr. White,-

I have your letter of the 9th of October, inclosing a draft of the clause proposed to be added to the memorandum to Council with reference to the islands in Lake Huron. I am taking advice on this point now and hope to be able to communicate further with you in a few days.

I have been absent from the city for a week, which delayed my acknowledgment.

Yours sincerely,

Deputy Superintendent General.
