OFFICE OF THE PRIME MINISTER

MEMORANDUM

For Miss Moore:

C157407

Will you please list Colonel Astor as a person to be in Ottawa at the week-end.

I do not want him put down for an appointment, but on Friday and again on Saturday morning you might remind Laurier House to bring this to Mr. King's attention.

A letter from Rupert Davies referring to the visit has already gone to Mr. King. There is also, as you will see, a memorandum from Measures to Robertson, copy of which is herewith, and this too, went on to Mr. King.

W. J. T.

March 29, 1944.
