Dear Sir;

Your letter of March 27 th. refers to Edith Jackson, a pupil of our school from the Songhees Reserve.

She was born July the 7th. 1895, and is therefore in her 18 th. year. It is my intention to apply for her discharge this Autumn.

For more than seven years that I know of none of her friends have been to see her nor have they written to her. I would not feel under any obligation to consult them about her future. She would like to marry one of our Ex-pupils, and if this can be brought about she will likely be married at the school. Of course I would consult the Dept. concerning the matter.

I may have something to communicate to you on this matter in the course of a month, as I will likely see the young man in the meantime.

yours sincerely,

*R. H. Cairns*
