Your File 43/5307.

Dear Sir:-

I enclose herewith general Agency Report together with separate detailed reports covering Westbank and Osoyoos No.1 Reserves with sketches to accompany the two letters in order to make details somewhat clearer, being forwarded under separate cover.

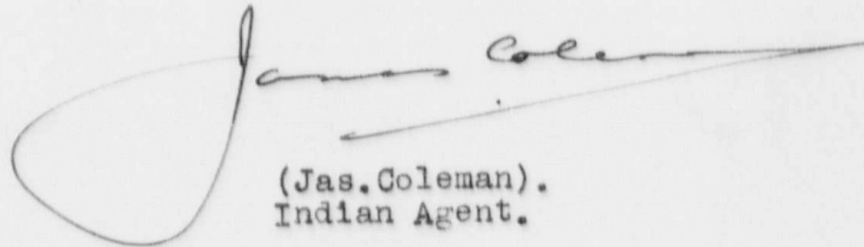

I will secure some photographs of some of the work covered by the Report and forward them to you in a few days.

I trust this is what you required. They are rather long as it was necessary to show the background of some development, but presumably you can secure the information desired from them.

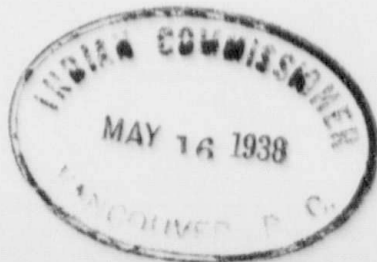

Yours truly,

Enclosures:-
