

Flowering Plants and Ferns

FILICES (FERNS)

- Adiantum**
pedatum L. Maidenhair. Wet rocks. C.
- Asplenium**
cyclosorum Rupr. Lady-fern. Damp woods. C.
- Botrychium**
silaifolium Presl. Moonwort. Damp places. S.
- Cheilanthes**
gracillima D. C. Lip-fern. Sunny rocks, Maple Bay. R.
- Cryptogramma**
acrostichoides R. Br. Parsley-fern. Mountain tops. L.
- Cystopteris**
fragilis L. Bladder-fern. Wet rocks. L.
montana Bernh. Bladder-fern. Rich woods. R.
- Gymnogramme**
triangularis Kauf. Silver-back. Dry rocks. F.
- Pellea**
densa Hook. Cliff brake. Sunny rocks. R.
- Phegopteris**
dryopteris Fee. Oak-fern. Damp woods. L.
- Polypodium**
vulgare var. occidentale Hook. Polypod. Damp woods. C.
- Polystichum**
dilatatum Hoff. Broad-fern. Damp woods. F.
lonchitis Roth. Holly-fern. Cowichan Lake.
munitum Underw. Sword-fern. Rich woods. C.
- Pteris**
aquilina L. Bracken. Abundant.
- Struthiopteris**
spicant L. Hard fern. Damp woods. L.

EQUISETACEAE (HORSETAILS)

- Equisetum**
arvense L. Horsetail. Damp fields. C.
hyemale L. Scouring rush. Wet places. L.
telmateia Ehrh. Great horsetail. Wet places. C.

SELAGINELLACEAE

- Selaginella**
rupestris L. Sunny rocks. C.

LYCOPODIACEAE (CLUB MOSSES)

- Lycopodium**
clavatum L. Mount Sicker, 2,000 feet. L.
lucidum L. Cowichan Lake.
selago L. Cowichan Lake.

TAXACEAE (YEW FAMILY)

- Taxus**
brevifolia Nutt. Yew. By streams. F.
