CENTENNIAL EXCURSIONISTS

Will, of course, wish to see all the sights comfortably and cheaply. To this end the **Canada Southern Railway Company** has, through its connections in the West and Northwest, placed on sale a large number of **TOURISTS' EXCURSION TICKETS** at greatly reduced rates, by which passengers can not only visit the Centennial Exhibition at Philadelphia, but can, in addition, visit the principal eastern cities, with an opportunity of stopping at any of the great number of famous resorts in New York and Pennsylvania. The **Canada Southern** is the only line from the west running directly to Niagara Falls, giving passengers, from the train, a wonderful panoramic view of the **Mighty Cataract, Horse-shoe Fall, the Great Rapids**, and landing them directly at the Falls. The track of the **Canada Southern** is an air line, laid with steel rails of the heaviest pattern; there are no curves or grades; wood is used for fuel; Coaches are furnished with the **Winchell Patent Ventilator**, ensuring perfect freedom from dust. With its complete system of magnificent **Parlor, Sleeping and Drawing Room Cars** from **Chicago, Detroit and Toledo**, and its admirable connections at **Niagara Falls and Buffalo** with the **New York Central and Erie Railways**, the **Canada Southern** is fast becoming the **favorite line to the East**. Tickets via this popular line can be procured at all offices of connecting lines, or at the Company's own offices.
