One Hundred Per Cent. Increase in Five Years'

The Mutual Life of Canada is celebrating its jubilee year by "Rounding" the two hundred million dollar mark, having doubled the amount of assurances in force since the year 1915. This 100% increase in five years is without doubt due to the unsullied record for fair, liberal and equitable dealing with its policyholders, and in the second place to the increasing popularity of the mutual principle in life insurance. The Mutual is becoming generally recognized as the most economical, the most democratic and the most equitable system of life insurance. The greatest and most powerful life insurance organizations in the world are mutual, and the Mutual of Canada organized on that basis is meeting with a similar success. The assets of the Mutual are a source of satisfaction, amounting at present to approximately \$40,000,000 guaranteeing every contract and providing a substantial surplus.
