By F. J. LAVERTY,

Yorkshire Fire Insurance Company, Roches-German Fire
Insurance Company, &c

This work consists of a practical treatise on the Canadian Law of Insurance in all its branches in a single volume, including Life, Fire, Marine, Accident, Guarantee, Bail, Burglar, and Employers' Liability Insurance.

The federal Insurance Act, passed at the last Session, is fully covered, as well as the latest statutes of the different Provinces. All Canadian jurisprudence on Insurance Law is carefully treated, together with the English and French precedents, and such American decisions as are applicable.

The aim of the work is to furnish in the most compact form possible an up-to-date text book of use to the Insurance literature as well as to the practitioner.
