fection as breeders generally get. Dr. Farewell was most fortunate in securing this animal as he did by importing it in

The photo of Fairview Queen Korndyke, Dr. Farewell's best cow, is also reproduced in Farm and Dairy, May 38, along with some facts as to her breeding and record. She made 722 lbs. milk in 7 days between the produced by the control of the control grandsughter of Hengerveid DeKol on his dam's side. The sire of Fairview Pontiac Pet is Isag Apple Korndyke, who is the son of Pontiac Korndyke and Pon-tiac Rag Apple-31.62 lbs. butter, 6155 lbs. milk, in seven days, testing 43 per cent butter fat. This ows sold for \$8,000, be-ing the highest priced Holatein cow ever sold. Pontiac Rag Apple's day is Pon-sold. Pontiac Rag Apple's day is Poning the highest priced Holstein cow ever sold. Pontiac Rag Apple's dam is Pon-tiac Glothilde DeKol. Ind-record, 37.21 Pontiac Glothilde DeKol. Ind-record, 37.21 lbs. butter. This shows the riview Pontiac Pet to have in her pedigric endy two cows in the world that have made re-cords of over 37 lbs. butter.

Two daughters of the great cow, Fair-Two daughters of the great cox, Fair-view Queen Korndyke, mentioned in the foregoing, are in this herd. They are Meadowbrook Queen Korndyke, three Meadowbrook Queen Korndyke, a two-year-old Both address Corndyke, a two-year-old Both affective Lady Matador will probably develop into the best cow in the barn. She two put to the best cow in the barn. She led and injured herself on coming into the land injured herself on coming into the barn and calved six weeks before her time, hence is not at her best this year.

Another heifer in the herd is Urr Another helfer in the herd is Urma-gelsche Segis, a grand-daughter of King Segis and Gleopatra Gelsche, a daughter of the noted one "Prilly." The dam of the noted of the theory of the control of the noted with the theory of the control of the said the Dector, "is the only on several," said the Dector, "is the only on several, said the Dector, "is the only on several," said the Dector, "is the only on several, said the Dector, "is the only on several," said the Dector, "is the only on several, said the Dector, "is the only on several," said the Dector, "is the only on several, said the Dector, "is the only on several," said the Dector, "is the only on the fact of the period of the the several, and the several," said the Dector, "is the only on the fact of the period of the several several several, and the several several several several several several several several several specification of the several several

Space forbids that we go into detail at space forms that we go into detail at this writing with other individuals in this herd. The herd comprised 16 mature cows and heifers and a number of youngsters. The Doctor has gone after the high test-ers, as it were almost "with a vengeance." He will not look at anything not over He will not look at anything not over four per cent in butter fat, and he has set himself the task of building up a herd of Holstein cattle, giving milk four per cent and over in butter fat.
