

## Percherons and Belgians THE POPULAR BREEDS

We have in our stables a select lot of Percheron and Belgian stallions and mares, running in age from 4 to 7 years. Our stallions weigh from 1,900 to 2,200 lbs., and mares from 1,600 to 1,850 lbs.

Use good breeding stock now and be ready to meet the demand which is sure to exist. All horses have been Government inspected, and we guarantee them to be satisfactory, sure breeders; if they are not, you do not have to keep them.

We will sell on time to responsible parties. Look up our winnings at the Western Fair, Guelph Winter Fair and Ottawa Winter Fair. These will give you some idea as to the class of horses we are offering.

Inspection Welcomed.

Correspondence Solicited.

## A "Neponset" Roof or—?

**T**HE roof, exposed as it is to nature's various moods, should receive the greatest consideration—a little extra thought spent on the roof more than pays in years to come.

### NEPONSET PAROID

plays an important role in "roofing Canada." Thousands of roofs throughout the Dominion are covered with this long-lasting material.

Any person who has used Neponset Paroid will tell you that it is the premier roofing material in Canada. It combines durability with hard wear; is not affected by weather; and compared with the cost of wood and metal shingles, or slate, it is by far the most economical roof you can lay.

The base of Neponset Paroid is a high-grade rag felt, thoroughly impregnated with asphalt, making it positively water-proof and fire-resisting.

**Easy to lay**—With every roll of Neponset Paroid is supplied sufficient nails and cement with full directions.

There is a Neponset dealer in your district. Write us for his name and a copy of our illustrated booklet "Roofing Canada."

### Canada's Premier Draft Horse

The Clydesdale is the premier draft horse of Canada. It is first in quality, first in size, first in action and correct movement, and first in soundness. Breed your mares to a good Clydesdale stallion and raise the type of draft horse that commands the top price in the market. The Clydesdale type of draft horse is more in demand than all others for heavy teaming in cities and towns. The supply to-day is below the demand. Good well-matched pairs sell at from \$700 to \$1,000; and prices are on the up-grade. Breed all suitable mares to a good Clydesdale this season, and be in line for the higher prices that are sure to come in a few years' time.

Pin your faith to the Clydesdale, and record every pure-bred animal.

Strong recommendations reach us for our Two-Row Sprayer which operates to save time and labor and crops. It throws two fine streams of mist to every part of the plant and is as simple to operate as a wheelbarrow.

We have bought the manufacturing rights of the Aymer Barrel Sprayer, which, added to our line, makes it more complete. If interested write for more particulars.

Valuable spraying calendar suitable for Canadian conditions supplied with each sprayer. Write for literature.

### Strong Testimony for O-K-Spra

That the O-K-Spra stands up and justifies every claim we make for it is clearly shown by unsolicited evidence. Every letter is favorable, and sometimes glowing in its praise. Here's a sample:

Gentlemen:—Enclosed you will find express order for which send to my address, Paris, Ont., one of your O-K-Spras with curved lance, non-clog nozzle. We have used the one we secured from you some weeks ago and find it is very satisfactory and have decided to send one to our summer home in Muskoka, for use in our garden there. Yours truly,
