The Railways Look to Permanency

They are the largest users of fencing in the country, and investigate thoroughly the merits of the fence they use. More "Ideal" fencing is being used by the railways this year than any other make, demonstrating its superiority. Investigation has shown that it decreases the cost of maintenance. Farmers who purchase "Ideal" are not experimenting. "Ideal" is made of No. 9 galvanized steel wire throughout. A postal card will bring FREE our Illustrated Catalogue of Fencing and Gates.
