## GOSSIP.

**J. Cousins & Sons, Harriston, Ont.,** breeders of Oxford Down sheep, write: Stock doing well; made good sales. Sold Hamptonian 136 to McEwan Bros., Wroxeter; three ram lambs to R. Song, to go to Haileybury; to Peter Arkel, & Sons, all shearing rams, one ram lamb, one ewe lamb; to Allan Paterson, Harriston, one ram lamb. Have a few lambs left.

In the report of the International Show, held in Chicago early in December, and which appeared in our issue of December 14th, 1911, Peter Arkell & Sons, of Teeswater, were credited with winning first on flock, and five seconds and two thirds on Oxfords. An error was made, as Messrs. Arkell informs us that they won first and third on yearling rams, instead of second. Their winnings were: Aged rams, second; yearling rams, first and third; ram lamb, second; yearling ewe, second; ewe lambs, second and third; flock, first.

**H. M. Vanderlip, Cainsville, Brant County, Ont.,** breeder of Berkshires, whose advertisement appears in "The Farmer's Advocate," writes: "Our present offering consists of perhaps as choice a lot of Berkshires as have been bred at Elmhurst. The chief stock boar is Duke of Somerset (imp.), massive, very heavy-boned sire, of the Duchess family, and sired by the great Okeford Emperor, champion boar at the Bath and West, Oxford, etc., while the dams in this herd comprise the Duchess, Highclere, Bushell, and others of the best English strains. In view of this, we are prepared to supply our past, present and future customers with the best breeding available. We therefore solicit a share of your patronage, assured that at all times you will receive our best attention in selecting stock to fill orders by mail. We will be pleased to answer any inquiries regarding our stock."

In another column in this issue is a change in advertisement of Maple Villa Oxford Downs and Yorkshires. **J. A. Creswell, Bond Head, Ont.,** the proprietor, has built up an extensive livestock business, and is a noted breeder in the above lines. His present offering, he writes, "is a splendid selection of young boars, which are especially desirable just now. Crossed on common sows and type or color, their get is always white, of good length, strong, growthy, and always in favor with the buyers and feeders. Also some fifty choice sows, a number of them already bred to No. 1 quality boars. These are of the most fashionable lines of breeding, at prices that will appeal to the business farmer. In Oxford Down sheep, Maple Villa is especially prominent, and has a present offering of breeding ewes which should be quickly sought by intending purchasers who desire quality of the breed."
