A Healthy Sign

in the life of any publication is First: the
condition of its subscription list; Second:
its class of advertisers. The Commercial
has never enjoyed a more prosperous period
than the present—particularly in the matter of
new subscribers. The reason is not far to seek.

This journal's paid circulation is larger
than that of any weekly trade newspaper in
Canada, and in the middle and Western
Canada its circulation is larger than the
combined circulation of all other trade news-
papers.
