been in the course of study.

General Intelligence.

Rev. gentlemen as a lecturer, sufficiently accounts for the large audience. All expected to hear an unusually vivid story of the war. delivered in an unusually good style. The \$113.24 lecturer was heard throughout with great attention and he was frequently applauded, but we think the general feeling of the audience at its close was one of disappointment. In the 12.81 first place, it could not but be felt that Me Caje would have done himself more justice had he written and read the whole lecture instead of delivering the greater part of it extempore: _____ 110,60 and in the second place, the lecture was, for the most part, but a rehash of the graphic accounts of the great battles of the war, which had already been published and read in all ____ 16.73 the principal English and American news-____ papers. The audience expected something \$253.38 new; and because Mr. Caie tailed to supply them with the novel element, they left the Hall disappointed. Mr. Caie has a fine clear voice, and a pleasing delivery, and had his lecture not lacked the one thing needful ported in your last week's paper, I am happy it would have been a success. At the con-Professors and Teachers of the united Instioffered up a fervent prayer for the Prince of Wales and all the Royal family. The Rev. C. Our faith is much strengthened, and we say B. Pitblado will deliver the next lecture on great things for us whereof we are glad." Our . Man's religious instincts and Christianity.-

operaton, having been rebuilt and refitted since the fire, by E. R. Moore, the proprietor.
