Dean Alford's Harvest Hymn.

Come, ye thankful people, come

Raise the song of harvest home !

All is safely gathered in,

Ere the winter storms begin :

God our Maker doth provide For our wants to be supplied :

Come to God's own temple come,

Raise the song of harvest home

We ourselves are God's own field,

Fruit unto his praise to yield : Wheat and tares together sown,

First the blade, and then the ear

Then the full corn shall appear :

Grant, O Harvest-Lord, that we

Unto joy or sorrow grown :

Nabby Rose had reached the bottom of the in the little frocks mended. She sat resting a "Feed my lambs." little with her hands folded, looking thoughtfully into the fire.

"And to what does it all amount ?" she asked herself. "When I was a girl, I thought I and realized it not; she took the lesson with her and realiz should be a power in the world-be a mission-to her closet, and on her knees attained a higher all over the grain by the falling of large rainary to the heathen, or lead my own sex up the estimate of her maternal duties, and resolved, drops. This makes the flour dark-coloured and pathway of reform, to rouse in my sisters' hearts with the Saviour's help to do those duties faith- gritty. Wetting and drying the grain saveral a purpose to break the bonds of fashion and fully, and with a glad heart. frivolity. But here I am, scarcely ever passing Mother, thou canst find no better work than beyond the gateway of my little home ! In the to feed the lambs of the Good Shepherd. He will be sticky and the cakes clammy, like the hour morning I get the breakfast, make cheese or has given them to thy care; lead them on to the of sprouted wheat.-American Agriculturist. butter, wash dishes, sweep, dust, make beds, heavenly fields; guide them to the soft pastured wash, iron, bake, clean floors ; in the afternoon of Canaan. Thine is a quiet, sacred toil ; falter

Y OUR medicine has done such wonders for my son, that I feel it my daty to make the case ublic for the benefit of others. The facts of the case are as follows, about three The facts of the case are as follows, about three years ago he took a severe cold, it settled into his limbs, he suffered most excruciating pain, he was often out of his mind. The coctors called it in-flammatory Rheumatism. In about three months his arms and lega—which were very much swoll-m—mhermited and continued to discharge freely
