To Make  
Home  
Pretty and  
Attractive

Is the wish of every lady. Perhaps we  
can help you a little by improving some un-  
sightly arch, a nice piece over a bay window, a  
screen for a stairway, a cozy corner, a hand-  
some stationary or folding screen. The ex-  
pense will not be much and would add greatly  
to the appearance of the room. We make  
these in Moorish fret work, Japanese fret work,  
Scroll or Grille work, all combinations of the  
different styles and makes, finished in any  
kind of wood desired. For further particulars

come subscribers.

G. Arthur Depew, Mus. Bach.,  
Director Detroit Symphony  
Orchestra, says:

"After playing a recital on your new  
Compensating Pipe Organ this after-  
noon, I must say that I was greatly sur-  
prised at and pleased with the wonder-  
ful tone quality it possesses. It was the  
first time that I ever played a concert  
program on a small organ and the effects  
I was able to produce on it were well nigh  
equal to the possibilities of the large or-  
gan in the First Presbyterian Church,  
where I am organist."
