

# Relief in Sight

Make your dollars count---Every live branch of the Grain Growers' Association is getting in line---Join the procession and line up with men who do things

Think of it! The commodities handled by Cowley branch of the U.F.A. amounted in round figures to \$8,421.00 in one year, while Horsehaven branch transacted business to the extent of \$7,224.00.

By Collective Purchasing the members of Horsehaven U.F.A. reduced the price on lumber from \$5.00 to \$6.00 per 1000 feet, and on flour 30c to 40c per 100 lbs.

Collective or Co-operative Buying will enable you to buy your necessities at wholesale prices, thus eliminating the middleman.

The Guide and the organized farmers are working hard to develop the spirit of co-operation which will lead to better farm practice, such as co-operative buying and selling.

There is no better time to start in this business than right now. The Guide will show you how. Cowley and Horsehaven locals saw the possibilities, took the chance and gradually attained their present success. You can do the same. Send in your renewal today and learn how to co-operate.
