CANADIANS CROSSED RHINE ON BOAT BRIDGE

A despatch from Cologne says:—The British and Canadian armies crossed the Rhine on four bridges here. The Canadian division passed over on a boat bridge. The weather was extremely wet and spoiled the impressive spectacle. The crossing began at 9 o'clock in the morning and continued until late afternoon. The spectacle was witnessed by large crowds, who were deeply impressed by the magnificent fitness and the marching of the men, the excellent condition of the transport and the horses.

LONG-RANGE CANNON KILLED 196 AND WOUNDED 417 PARISIANS

More Than Half the Fatalities Occurred on Good-Friday Last When Church Was Shelled.

A despatch from Paris says:—Figures are now made public for the first time regarding the number of persons killed during German air raids and by long-range cannon. These statistics relate to the city of Paris only, and not to the suburbs.
In 1914, 46 bombs were dropped. In 1915, 70 bombs, 62 of them on March 20, fell on the city. In 1916,

the enemy employed 61 bombs against Paris, and in 1917, 11. During the last ten months of the war there were 1,211 casualties from 396 bombs.
Airplanes and Zeppelins dropped 228 bombs on August 6, killing two persons and injuring 392. The long-range cannon fired 168 shells into Paris, killing 196 and wounding 417. On last Good-Friday more than 100 persons were killed.

WILL CELEBRATE ALLIED VICTORY

Canada Will Be Represented in Triumphant Procession in London Early Next Year.

A despatch from London says:—An official celebration of the success of the British arms is expected here in January or February. The authorities, says The Times, are considering details of a scheme for enabling the public to witness a military procession representing every unit which served in the field. All the armies will have a place in the historic procession, with Marshal Haig riding at its head, followed by the Army Commanders. The Dominion and colonial troops, with bands playing and colors flying, will also participate. To this it may be added that Thursday's homecoming of Marshal Haig and certain other Generals is not in any way an official recognition of the services they have rendered. The official announcement gives prominence to this, which therefore disposes of the criticism that he is unaccompanied by Gen. Currie and Monash, the Australian General.
The Canadian Press has reason to believe that Currie, besides participating in the general recognition by London early in the new year, will receive special honors here, and will also be offered the freedom of at least one famous English city.

GRAVE OF EDITH CAVELL LOCATED

British Community in Brussels Hold Commemoration Service For Martyred Nurse.

A despatch from London says:—The grave of Edith Cavell, the English nurse executed by the Germans in the Tir National Cemetery at Brussels, is believed to have been definitely located from a German map of the cemetery. The Belgian authorities last the British commemoration service.
The service was attended by the British Minister, who laid on the mound of earth a wreath from King George and Queen Mary, inscribed, "In memory of a brave and splendid English woman."
Sir F. S. Villiers deposited a wreath bound with the British colors in the name of the British Legation and colony, and Brand Whitlock, the American Minister, added a tribute of his own. The Spanish Minister, the Belgian Foreign Minister and the members of the legations' staff were present at the ceremony.
One of the first acts of King Albert after his re-entry into Brussels was to visit the cemetery in company with Queen Elizabeth, who laid a wreath on Miss Cavell's grave.

80 CANADIANS BLINDED IN ENGLAND

Prisoners of War Return to England Report Cruelty.
London, Dec. 14.—The Mission attended St. Dunstons institute for the blind yesterday met the blind Canadians, sixty in all. A petition was presented to the Premier asking that the Government give to each one blinded Canadian officer 320 acres of homestead in lieu of stipulation that it must be naturally cultivated, and by the method by which the land located for them by proxy.
Lieut. Hitchings, who reported the petition, pointed out so that in Australia blinded had been given free permanent portation over Government.
Sir Robert Borden made a pathetic reply and promised consideration of the request. It was estimated that there are one hundred cases of total blindness in the Canadian army.
Sir Arthur Pearson, Head of Dunstan's, goes to Ottawa next week.
Canadian prisoners of war returned to England to the number of 2,000 and are now arriving at the rate of 25 a day. They are to be sent to the country at Dover or Rippon, where they are taken charge of by the British army authorities. One of the prisoners is fully interrogated as to his treatment in Germany and a statement drawn up for his signature. This information is not available for publication, it may be said, but more than confirms the stories of German brutality, and shows that man civilians in a specially bad way. This information will be an advantage to Canada's case at the Conference.

Striking Contrast. The devastated area of Halifax just after the disaster of a year ago. Twelve months later, after many new houses have been erected, it is being made more modern and more beautiful.
