

Municipality of the Township of Guelph.

BY-LAW To authorize the Municipal Corporation of the Township of Guelph to subscribe for Stock in "The Toronto and Guelph Railway Company," to the amount of \$10,000.

WHEREAS by the Railway Clauses Consolidation Act, it was, amongst other things, enacted, that the Municipal Corporations in this Province might subscribe for any number of Shares in the Capital Stock of any Railway Company which should by any Act of Parliament of this Province, be thereafter incorporated; or lend to, or guarantee the payment of, any sum of money borrowed by the said Company from any Corporation, or person, for and towards the payment of, any Debentures to be issued by the Company for the money by them borrowed; and should have power to assess and levy from time to time upon the whole rateable property of the Municipality, a sufficient sum for them to discharge the debt or engagement so contracted; and for the like purpose to issue Debentures, payable at such times, and for such sums, respectively, not less than Five Pounds, Currency, and bearing or not bearing interest as such Municipal Corporation may think meet, and that any such Debenture issued, endorsed, or guaranteed, should be valid and binding upon such Municipal Corporation, if signed, or endorsed, and countersigned, by such officer or person, and in such manner, and form, as should be directed by any By-law of such Corporation, and that the Corporation Seal thereto should not be necessary nor the observance of any other form with regard to such Debentures than such as should be directed in such By-law as aforesaid; and also, that no Municipal Corporation should subscribe for Stock, or incur any debt or liability under the said Act, or the special Act incorporating the said Company, unless, and until, a By-law to that effect should have been duly made and adopted, with the consent first had of a majority of the qualified Electors of the Municipality, to be ascertained in such manner as should be determined by the said By-law, after public advertisement thereof, containing a copy of such By-law, inserted at least four times in each newspaper printed within the limits of the said Municipality; or if none be printed therein, then in one or more newspapers printed in the nearest City or Town thereto, and circulated therein, and also put up in at least four of the most public places in each Municipality; and also that the Mayor, Warden, or Reeve being the head of such Municipal Corporation subscribing for, and holding Stock, in the said Company to the amount of Five Thousand Pounds, or upwards, should be, and continue to be ex-officio, one of the Directors of the said Company, in addition to the number of Directors authorized by the special Act incorporating the same, and should have the same rights, powers, and duties, as any of the Directors of the said Company.

AND WHEREAS, by a certain Act of the Legislature of this Province, passed during the last Session, a Company was incorporated for the purpose of constructing a Railroad from the waters of Lake Ontario within the limits of the City of Toronto to the Town of Guelph, to be called "The Toronto and Guelph Railway Company," and the Provisions of the Railway Clauses Consolidation Act hereinbefore recited, were, amongst others, incorporated in the said last mentioned Act.

AND WHEREAS the construction of the said Railway, while it cannot fail to be highly beneficial to the country generally through which it will pass, is likely to promote, in an eminent degree, the wealth and resources of the said Township of Guelph; and it is consequently deemed advisable that the Municipal Corporation of the said Township should subscribe for Stock in the books of the said Toronto and Guelph Railway Company, to the amount of \$25,000, and should issue Debentures to that amount for the payment thereof.

Be it therefore enacted by the Municipal Council of the Township of Guelph, held under and by virtue of the authority of the Act 12th Vic., chap. 21, and fourth section of said Act, entitled "An Act to provide by one general law for the erection of Municipal Corporations, and the establishment of Regulations of Police in and for the several Counties, Cities, Towns, Townships, and Villages in Upper Canada; and it is hereby enacted by the authority of the same, That it shall and may be lawful for the Reeve of the said Township of Guelph to subscribe for Stock in the said "Toronto and Guelph Railway Company" to the amount of Ten thousand pounds, for and on behalf of the said Municipality of the said Township of Guelph; and for payment of the said Stock, it shall and may be lawful for, and it shall be the duty of the Reeve for the time being of the said Township, to raise by way of a loan, at a rate of interest not exceeding six per cent. per annum, from any person or persons, bodies politic or corporate, who may be willing to lend the same upon the security of the Debentures herein after mentioned, a sum or sums of money, not exceeding in the whole the said sum of Ten thousand pounds, and to cause the same to be paid into the hands of the Treasurer of the Company, to be applied under the direction of the Municipal Council of the said Township of Guelph for the time being, in paying the instalments upon the said Stock so subscribed as the same may be called in or become due and payable; or to cause to be issued Debentures for the said sum of Ten thousand pounds, in the manner hereinafter provided, with interest payable half yearly, and to cause such Debentures to be delivered to the said "Toronto and Guelph Railway Company," as and when such calls or instalments upon the Capital Stock of the said Company shall be made or become due and payable, under and by virtue of the Act incorporating

the said Company, in payment and satisfaction of the said calls upon the said Stock so subscribed for in the said Company.

2nd. And be it further enacted, That it shall be the duty of the Reeve of the said Township of Guelph for the time being, from time to time to cause any number of Debentures to be made out, in such amounts as to him shall seem fit, and not exceeding in the whole the said sum of Ten thousand pounds, which said Debentures shall be under the common seal of the said Municipal Corporation of the Township of Guelph, signed by the Reeve, and countersigned by the Treasurer for the time being of the said Township of Guelph, and shall bear interest not exceeding six per cent. per annum, payable half-yearly, and shall be made redeemable at the Bank of Upper Canada in Toronto: Provided always, that none of the said Debentures shall be for a less sum than \$25, nor payable at more remote periods than twenty years from the issuing thereof; and provided further, that it shall and may be lawful for the said Municipal Corporation of the said Township of Guelph, at any time or times when it may be deemed advisable so to do, to redeem any of the said Debentures before the same may become due, either by sale of the whole or any part of the Capital Stock so or any part of the said Township of Guelph, or out of any funds which may from time to time be at the disposal of the said Municipal Council of the said Township of Guelph, and not otherwise appropriated, upon giving six month's notice of their intention to redeem the same, in two or more public newspapers published in the Town of Guelph.

3rd. And be it further enacted, That the dividends from time to time paid upon the Stock so subscribed for in the said Toronto and Guelph Railway Company, and received by the said Company, shall be applied, under the direction of the said Municipal Council of the Township of Guelph, in the first place, in payment of the interest accruing upon the said Debentures, and the surplus in the redemption of such of the said Debentures as the said Municipal Council may, from time to time, think fit to redeem.

4th. And be it further enacted, That for the payment of the half-yearly interest from time to time accruing, due, and payable upon the said Debentures respectively, there shall be raised, levied, and collected, in each and every year, an equal rate in the pound upon the assessed value of all the rateable property in the said Township, over and above all other rates and taxes, sufficient to pay the said half-yearly interest, or so much thereof as shall not be met or paid by the dividends from time to time received upon the said Stock in the said Company; and such rate shall be collected and paid over to the said Treasurer of the said Township for the time being, at the same time, and in the same manner, as other rates are collected and paid over.

And, for the payment and redemption of the principal money secured by the said Debentures, there shall be raised, levied, and collected, in the year next before such Debentures shall respectively fall due, an equal rate in the pound upon the assessed value of all rateable property in the said Township, over and above all other rates and taxes whatsoever, sufficient to pay the principal money secured by such Debentures so respectively falling due as aforesaid, or so much or such part thereof as shall remain unpaid after the surplus of the dividends herebefore mentioned and appropriated shall have been applied in liquidation thereof, or by a loan to be raised upon other Debentures, to be issued for such sums, redeemable at such periods, as by a By-law of the Municipal Council of the said Township of Guelph, may be declared and enacted.

5th. And be it further enacted, That, for the purpose of obtaining the assent or dissent of the qualified Electors of the said Township of Guelph to this By-law, in pursuance of the provisions of the said Railway Clauses Consolidation Act hereinbefore recited, it shall be the duty of the Reeve of the said Township of Guelph to cause such By-law to be published at least four times in each and every newspaper published and printed in the Town of Guelph, and to cause copies thereof to be put up and affixed at Green's Tavern, at George Wilson's, Paisley Block, at Blyth's Tavern, at Marnaduke Stephenson and George McFarland's Tavern, five of the most public places in the said Township of Guelph, and to cause a Poll to be opened, held, and taken, at such place or places, and at such time in the said Township, as by Proclamation under his hand may be appointed, and in the same manner as a Poll would be taken for the election of Municipal Councillors for the said Township, at which the qualified Electors of the said Township of Guelph may record their votes in favor of or against the said By-law: Provided always, that such Polls shall not be open until after the publication of the said By-law, according to the provisions of the said Railway Clauses Consolidation Act hereinbefore in part recited.

NOTICE.—The above is a true Copy of a By-law proposed to be passed by the Municipality of the Township of Guelph, now published in compliance with sub. sec. 3 of clause 18 of the Act 14th & 15th Vic., chap. 51, entitled "An Act to consolidate and regulate the general clauses relating to Railways," and said By-law was moved by Mr. Robert Boyd, and seconded by Mr. John Tolton.

PUBLIC NOTICE.

THE Subscriber intimates to his friends and customers, that as he has hitherto lost a great deal of time in hugging up his debts,—many of whom do not pay, not from the want of MEANS so much as from the want of a WILL,—he intends to alter the system; and he has therefore to inform all those whose accounts are overdue, that if settlements are not immediately effected, such accounts will very soon be put in suit. In the meantime,—as regards credit,—except in the case of customers who have the will as well as the means, to pay their debts in proper time—Jack has gone into his shell.

ALAS! ALAS! FOR THE FATE OF THE ENTERPRISING

SIR JOHN FRANKLIN, SHUT up within eternally icebound regions, till his COFFEE, ground and roasted—SUGAR, Muscovado and refined Loaf—FRUIT, Raisin, Currant, and Almond, with every Spice, Rice, and Barley, and Eggs and Butter were entirely exhausted, with all of which

OWENS & ATKINS

could have most benevolently supplied him, had some Clairvoyant but pointed out his whereabouts. But notwithstanding the complete consumption of all his STOCK OF PROVISIONS, Sir John as an Anglo-Saxon, the type of all nations, could have maintained his adventurous followers by the scanty game which periodically visits these forbidden places; but they had no

BOOTS OR SHOES (of which OWENS & ATKINS have a large supply, from the STREET STORE, for the Backwoodman, for 11s. 3d., to the gents 17s. 6d.) to protect their swollen feet from the sharp ice. One by one did Sir John see his men after having worn the last shred of clothing, throw themselves shivering in despair upon the cold ice, and then "The thrill,—the fever fit, And then the chill, and all was over."

His Knighthood would have given, to have seen his brave followers feel the invigorating warmth of OWENS & ATKINS'

AMERICAN SATINETS & ENGLISH DOESKINS,

or have their frost-bitten limbs wrapped in their double-milled Fearnought Cloth, the close soft texture of which, bids defiance to the coldest blast, and sends the blood dancing in its mazy currents through the channels of the system. Had those hardy explorers of the Northwest passage the supply of

OTTER, BEAVER, MINK, AND OTHER FURS, this Cash Establishment is just now receiving, to dispose of to their numerous friends and customers about Guelph, the British Lion would still growl in triumph, amid the thunders of the North, and one day, to the great satisfaction of every true philanthropist,

A neat design in PRINT, Hoyle's Fast Colors, SWANSEIN & WELCH FLANNELS, GALA PLAIDS, COBOURGS, AND ORLEANS,

American and English Striped Shirting and Ticking, WOOL SHAWLS, SINGLE AND DOUBLE MUFFS AND BOAS, Aye! and even Crockery,

will be as familiar to the ears of the Esquimaux as they are now in the CASH and PRODUCE STORE OF OWENS & ATKINS. Oct. 7, 1851. 224-1f
