Y. W. C. A Girls Battled Nobly On To Victory

They Defeated Hamilton Last Night at Basketball by Score of 9-7—It Was a Tremendous Affair From Start to Finish.

Imagine ten hot, perspiring girls, five each on opposing sides, filled with enthusiastic energy and battling nobly, each to her utmost for victory, and you have an idea of the scenes which marked the meeting of the Hamilton Y. W. C. A. basketball team and the local quintette at the Brantford Association last evening. The local girls were the heavier

and more formidable set, and they went in filled with the determination to win, and win they did by the score of 9 points to 7. Less weight, the Hamiltonians took the floor, and it was evident they labored under two disadvantages, being somewhat handicapped by the unaccustomed size of the ball, and also being a lighter crew. They stuck to their task, and playing doggedly came through the encounter with honors. They were defeated but by no means disgraced.

From the start, Brantford forced the pace and in two minutes Evelyn Fenn had netted, gaining two points. Retaliation followed and Hamilton forged ahead on scores by Gerty Fryke. This aroused the local girls to deeds, and Evelyn Fenn, with strong, merring shots, put Brantford at the head with an extra two scores, to which Mable Bartle, with a neat little shot, sent in under difficulties, added double points. The interval was called with the score standing Brantford 8, Hamilton 4.

pretty work by the team, Mable Bartle came to the rescue with a clean shot from the mark given for a foul. This gave Brantford a lead of two points, and to these they tenaciously clung, and when the final came they ran out with worthy winners by two points. They played to win, and are to be congratulated on the result for this is their third consecutive win, they previously beating Stratford by 9-6 and 14-11.

Evelyn Fenn was a supposed defence player, but she was in every position possible last night and her efforts brought result, for she tagged six of the points, proving her versatility. Perhaps no one was a more hearty and unselfish player than Mabel Bartle, and although she was well watched, she scored three points which included a beautiful basket for a foul. Madeline Brohman was strong on the defence, and Kitty O'Rielly, at centre, was unfortunate not to score, for she labored valiantly. Mildred Dalton did her part well and truly, and the team as a unit displayed strength and combination when the Hamiltonians allowed it. Helen Brant was their hardest worker, although she had very little over the others. Gerty P-yke and Mabel Fryke proved experts at throwing the ball, and it was well for Brantford that they were well covered, for at every opportunity they dashed down and made for the points, some of their work was neat and excellently executed. Vina Gow ably supported them in forward work. Although up against a big proposition in Evelyn Fenn, Kathleen Fitzsimmons played pluckily and well.

In their earnest endeavors, hard knocks were given and taken by both teams, but the best of good spirits prevailed. The Ambitious City girls were inclined to cling hold of the ball and opponent, but the watchful eye of Gordon Berry, who acted as referee, was ever vigilant, and play was kept up to a high pitch.

The line-ups were as follows: Hamilton—Centre, Gerty Fryke; forwards, Mabel Pryke, Vina Gow; defence, Kathleen Fitzsimmons (captain) and Helen Brant. Brantford—Centre, Kitty O'Rielly; forwards, Mabel Bartle and Mildred Dalton; defence, Evelyn Fenn and Madeline Brohman.

After the game the visitors were entertained to a delightful and informal banquet, and a very happy time was spent before the opponents of the evening departed.

Freddie Downes wishes to state that the promoters of Monday night's boxing bouts called on him and asked him to box Mendo; the purse offered being small, Downes arranged to let him (the promoter) know on Monday morning, which he did, and was at the opera house ready to box but not knowing the promoters he wanted his share of the purse placed in the referee's hand, and the promoters refused to do it, so Downes refused to box, but Downes is willing to box Mendo or any other 110 pound boy in Canada.

Draw For Hill Cup Decided By Executive

Dufferin Rifles Will Play Paris—Stronger Clubs Clash—Referees Chosen for Saturday's Games

The draw for the John Hill Cup took place last night at the weekly meeting of the Paris and Brantford league, held in the Y. M. C. A. It resulted as follows:

Dufferin Rifles vs. Paris.
Wanderers vs. S. O. E.
P. S. A. vs. Scots.
Holmedale vs. Tutela.

All games to be played on the ground of the first named, July 4th. The draw could hardly be better made, for the stronger clubs clashed while the weaker ones battle the issue. The pick of the round lies between the Holmedale-Tutela and the Duff-Paris encounter. Perhaps on account of past meetings the Duffs and Paris would prove the greater attraction. The Duffs have already defeated Paris in the league, and Paris have disposed of Cockshutt's who succumbed to the Riflemen. It will be a great game. Tutela, although down to play away, seem good enough to take the points at Holmedale, but the Tigers are admittedly good pot hunters. Scots have the P. S. A. team to contend with, and they fancy their chance of getting into round two, and the Wanderers entertain the Roses who will have to work hard to defeat the old Dragoons, who invariably show their form after opening poorly.

A charity match will be arranged for the benefit of Fred Hingley of Tutela, who broke his leg on Saturday.

The referees for Saturday's games will be as follows: Paris vs. Tutela, Hollands; S. O. E. vs. Wanderers, C. Smith; Cockshutt vs. Duffs, G. Elliott; Scots vs. Holmedale, Farnsworth.

The referees came back to the league as individuals, and the associ-

ation idea has been dropped indefinitely. This met with the approval of the league, who had decided not to recognize any union of referees.

W. Richardson has been retained for the Scots and S. Pickwell has been transferred from the Duffs to Tutela. This concluded the business of the meeting.

BRANTFORD BOSTER BARRED.

Secretary W. P. Trevitt of the O. O. A. U. has notified the Riverside A.C. that Fred Williams of Brantford must not compete in the international boxing contests to be staged at the Arena on Friday and Saturday evening. Williams is "in wrong" with the governing body by reason of his having taken part in unauthorized six-round bouts.

BULLETIN ISSUED AT Gives Good Hint Farmers.

If it may be of interest to the average dairyman, the following information is given: The average dairyman who grows his own corn will find it well to plant a few rows of corn for the purpose of growing a few extra ears of corn. It is a good idea to note how the farm is managed. These are frequently not as low as 250 pounds of corn per acre. Some good patrons obtain 800 pounds per acre. It is not enough, for there are authentic records of 1,000 pounds of milk per acre not being extremely difficult more than this, even 2,500 pounds.

This latter figure is a way ahead of the yields attained of only 250 pounds may be found on many dairy farms in Canada. The average of the past few years is 1,000 pounds of milk per acre. It is a good idea to note how the farm is managed. These are frequently not as low as 250 pounds of corn per acre. Some good patrons obtain 800 pounds per acre. BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
