place, too stereotype in theme and missing the loftiness that are the hallmarks of John McCrea. It is the

Song of the Guns.
"This is the song that our guns keep singing,
Here where the dark steel shines;
This is the song with their big shells winging
Over the German lines.

"We are taking you home by the shortest way,
We are taking you out of this blood and slime
To the land you left in an ancient day,
Where lost lanes wander at twilight time;

We are bringing you peace
In the swift release
From the grind where the gas drifts blur;
On a steel-shod track
We are taking you back,
We are taking you back to her!

"This is the song that our guns keep roaring
Out through the night and rain;
This is the song with their big shells roaring
Over the battered plain:

"We are taking you home by the only way,
By the only road that will get you back
To the dreams you left where the dusk was gray
And the night wind sang of a long-long track;
We are bringing the rest,
From the bitter test,
From the pits where the great shells whir,
From the bloody loam
We are taking you home to her!"

To the dreams you left where the dusk was gray
And the night wind sang of a long-long track;
We are bringing the rest,

BABY'S BATTLES FOR HEALTH

Mothers you can win the battle for the health of your little ones if you will fight it with Baby's Own Tablets—the ideal childhood medicine. The Tablets are a mild but thorough laxative which never fail to banish constipation, indigestion, worms, colds or simple fevers or any other of the minor ills of little ones. Concerning them Mrs. J. P. Hyppell, Causapval, Que., writes: "Baby's own Tablets are a great medicine for children. They quickly cured my baby of constipation and I can highly recommend them to other mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"I'll Praise it the Longest Day I Live"

Mrs. Robbins Restored by Tanlac After Suffering Thirty Years.

"Talking about things that help people," said Mrs. P. H. Robbins, of 1449 South 14th street, Omaha, Neb., in an interview recently, "Tanlac is doing more good than any medicine I have ever known in my time, and I'm now past sixty years of age.

"In 1889, nearly thirty years ago now," she continued, "when the grippe first came along and so many people were having it, I had an attack of it myself and have had it in some form or other from once or twice a year ever since. The first spell left me in a badly weakened condition and I would no sooner recover from one attack than I would be pulled down again. The doctors at that time called it 'rheumatic grippe' and I had aches and pains all through my body, in all my limbs and muscles. Three years ago I had one of these spells, which was so severe that they took me to the hospital, and I nearly died. I had the worst headaches it seems anyone could have and I was 'bally rundoed' and 'rightfully weak.' I couldn't sleep well for all those thirty years. My appetite was poor, I lost twenty pounds in weight and just had to drag myself around. I was hardly ever without some kind of an ache or pain, and the next spring I was in such a bad fix that we couldn't keep house, so I went to my daughter's. My husband went to boarding and where he boarded he heard of a remarkable case like mine, that had been relieved by Tanlac.

"Then he went straight to Sherman and McConnell's drug store and got two bottles. One for me and one for myself, as he was in very bad health, too. Well, I showed some improvement on the first bottle and kept on getting better slowly. My appetite came gradually, and my strength came back a little each day. My aches and pains went away and I got to sleeping better. When we would see one bottle getting low we would hurry to get another and since I finished my sixth bottle I'm feeling better and more like myself than I have in years. With all the sickness and 'flu epidemic that's going over the country I'm feeling stronger and better than I ever did. We are keeping house again now, and I eat well, sleep well, do all my housework and feel fine all the time. I am taking Tanlac with the Tanlac Tablets again now to keep in shape for the winter. It certainly is a blessing to humanity and has done so much for my husband and me that I will praise it the longest day I live."

Tanlac is sold in Brantford by Robertson's Drug Store, in York by Apps Ltd., in Mt. Vernon by A. Yoemans, in Middleport by William Paddie, in Onondaga by Neil McPhadden.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

Look, Mother! Is tongue coated, breath fetid and stomach sour?
"California Syrup of Figs" can't harm tender stomach, liver, bowels.

A laxative to-day saves a sick child to-morrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.
Look at the long, thin mother. If coated, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs." Don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.
Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully, and see that it is made by the California Fig Syrup Company.
