#### Methodist Notes From Wesleyan

Horton. — Rev. A. Hockin, pastor. The people of the Horton Circuit, finding their pastor was planning on March 1st, celebrating the 40th anniversary of his marriage, among his wife's kindred at LaHave, took time by the forelock and on Tuesday, Feb. 27th surprised the inmates of their parsonage by a visitation in force. A good natured and generous company came with provision for a social evening, and with hearty congratulations to the man and woman who had lived happily together for forty years. An address was read to the pastor and his wife by Dr. Chipman, on behalf of the church officials and Miss Annie Patterson, on behalf of the contributors presented Mrs. Hockin with a very generous purse of gold. This act, on the part of his people was as the letting in of the summer sunshine on the grateful pastor's soul.

And then the shadows came when the man and his wife, away from their home, on March — received a copy of an official telegram, which read: "Sincerely regret to inform you, 460526, Private Harold Hockin, Infantry, officially reported, admitted twenty-four General Hospital, gunshot wound, chest, face, head, eye, February 21st, 1917. Will send further particulars when received."

Rev. Mr. Chase, president of the Michigan Heirs Association, presided at a meeting held on Monday afternoon in Civic Hall. There were about fifty ladies and gentlemen present.

Mr. Chase stated that he was on his way to Philadelphia in the interests of the Michigan heirs and any of the Nova Scotia heirs who wished him to file their claims would be included, on condition that they join the Michigan Association.

The fee for joining the Michigan Association is \$10 and any assessments made on the members must be passed by a two-thirds vote of the members.

Mr. Chase stated that in acting for the Baker heirs he was taking his life in his hands as he had been arrested in Toronto, poisoned in the United States and continually shadowed. He also said that he had seen the Baker records in the registry of deeds in Pennsylvania and the place where leaves referring to the Baker properties had been cut out from the record books. He also read a sworn declaration from a man who said his mother had stolen the missing leaves. Another letter was read from a man claiming to hold these leaves and offering to give them up for \$5000.

Mr. Chase still further stated that an old man who had long held a secret had lately revealed the place in Pennsylvania where cash and document relating to the Baker fortune were

Not Discouraged  
New Glasgow Chronicle — Three Australian women arrived in New Glasgow yesterday and will work at munitions at the Steel Works. These women were en route to England from Australia to engage in shell work, when they were taken from a steamer at Halifax owing to the recent regulations forbidding women going from Canada to England. Being deterred from reaching the Old Land they decided to do their bit in Canada.

The present winter has been a great one for the lumber operators and a large cut will be the result. Miller Bros., on Jordan River, are carrying on extensive operations and will get out between six and seven million feet. On the Clyde River the cut will probably total two million feet, the principal operators being Messrs. Cox and Davis, the Nicholl brothers and Joseph Sutherland. The Shelburne river cut will be over a million and a half. Bower Bros. and Lemuel Clow, the largest operators, will cut about a million feet. —Exchange.

Not Too Proud to Fight  
Canada was not too proud to fight. She scorned the ignoble role of shirking her duty and letting others protect her. Her effort in men is relatively as great as if we had raised five million soldiers. Her money effort is equivalent to what this nation (the United States) would have done if it had contributed over a billion dollars in relief funds. There never has been finer work done under the old volunteer system than by Canada—Theodore Roosevelt in Metropolitan Magazine.

MR. ROSENBERG  
689 Casgrain St., Montreal.  
April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruit-a-tives'. I was a sufferer from these complaints for five years, and my sedentary occupation, Music, brought about a kind of Intestinal Paralysis—with nasty headaches, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try 'Fruit-a-tives', and now for six months I have been entirely well. I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruit-a-tives', and you will be agreeably surprised at the great benefit you will receive". A. ROSENBERG.  
Box, a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.
