That our Rightly made Clothing is Economical for any Man or Boy to wear is a fact. The dollars it costs divided by the months, it wears shows the actual worth. When you come right down to the wearing value of a garment saying nothing about the Style or fit, which our garments Possess. Some unscruppilous competitors are fond of calling us High-Priced and of comparing their prices for their kind of clothing with the Prices we ask for our kind. If you make a ratio of Prices to the quality our Prices are the Lowest every time.

We are building up a business on Rightly-made Clothing and Gents Furnishings and the rapid growth of our business, has been phenomenal, and to keep pace with this growth, we shall open the fall trade with the finest line of Ready-Made Clothing and Gents' Furnishings ever brought into

Attendance at the church.

Attendance at the Court house in the town of Brockville on Tuesday the 15th day of September, 1891, at the Methodist church on Thursday evening was well attended, though the storm no doubt kept many at home. The bill-of-fare was in every respect first-class and was much enjoyed by all present. Mr. H. H. Arnold presided in a pleasing manner. The decorations were the finest evening in popularity throughout the county; and it is indeed gratifying to those immediately concerned in higher education that parents to-day are efully alive to the necessity of giving every child a high school education.
