Mrs. Angie Barber goes to Iroquois this week for a visit with friends.

Mr. Morford Arnold and three young men from the county town spent Sunday last in Athens.

As men and women come to have the same aspirations, occupations and opportunities they come to understand each other better and so that there is really very little difference between them.

Waterbury, N. Y., is much excited over the discovery of natural gas on property just outside of the city limits.

The striking trackmen on the G.T.R. have ordered J. G. Esak to the mediation of the Dominion government having proved effectual in paving the way for a settlement of all differences.

Nothing having appeared in the Dominion estimates for the Brockville drill shed, Mr. Comstock, M.P., was communicated with and he replied that the appropriation would be made in second supplementary estimates.

A movement is on foot to do away with matriculation examinations to a certain extent. Instead of an examination it is proposed to give the principal of the high schools and collegiate Institutes power to give permits and certificates.

An attempt is being made by a few of the old guard to reorganize the Citizens League. J. G. Esak has signified his willingness to assist in the work, and it is thought that by diligent practice a creditable band could be placed before the public in a short time.

Bills will be issued this week announcing that Mr. P. J. Shilsh of Lyndhurst will on Monday next open an auction of his miscellaneous property. Quotations are given in all lines of his large and varied stock and the prices are such as to command attention.

The committee of the Athens Methodist Sunday School have completed their arrangements for the P. E. & W. railway and with the manager of the steamer Brockville to convey the annual excursion over the railway and through the far famed Thousand Islands to the Rideau.

Napanee is again to the front with a sensation, this time furnished by the ladies. Two of them, both young ladies, were out in the county one day last week, and for a number of hours they were engaged in the usual quantity of work, and other trimmings. They took a nap in the afternoon and were ready for tea with the usual appetite.

The new fishery regulations of the Ontario government appear on the last page of this issue. The area over which the fishery may be allowed to roam is being gradually narrowed down so that he will soon be confined to telling of the size and number of fish caught.

According to the provisions of the Truancy Act it is unlawful for children between the ages of eight and fourteen to be absent themselves from school when not indisposed. If it is much to their parents' interests that they should remain at home, parents must apply to a magistrate for a permit to exempt their children from school.

The annual Sabbath school picnic in connection with the St. Paul's Presbyterian church came off, as previously announced, on Saturday last, the 17th inst., and proved a grand success, there being about one hundred present, including parents and children.

Mrs. S. K. Mathews, some years ago an esteemed resident of Athens, died at her home in Morrisburg on Friday last.

In Brockville on Tuesday six residents of Elgin and vicinity were fined, including costs, \$6.80 each for illegal fishing in Sand Bay. J. C. Judd, inspector, and the local overseer, A. E. Siler, prosecuted.

Wm. Shaver of Prescott died there recently. About two years ago he suddenly ran a shorn into the sole of his foot, and in the effort to pull it out the work was broken off, and by degrees worked itself upwards into his body. He was a terrible sufferer. Shaver was 18 years of age.

The sparrow has not turned out to be the bird he cracked up to be. When he was brought to this country he was supposed to be one of the greatest grub and insect-eaters ever known, but now when he might be of immense service in destroying the hordes of caterpillars he seems to have lost his appetite for grub of that sort.

An exchange this week contains these comforting words: 'If you want to try the following:—Throw a bit of alum—about the size of a marble—into a small bowl of water, and wet the hands and face and any exposed parts highly with it. Not a mosquito will approach it. They hum about a little and disappear.'

A fresh counterfeit coin has been put in circulation. It is a fifty-cent Newfoundland coin and is a very excellent imitation. It may be distinguished from the true coin by the fact that it is lighter, has a less full ring when sounded, and has also a rather greasy touch when handled.

On the eve of her marriage, Miss Ida Heacock, a report of whose nuptials appears in last week's Reporter, was waited on by Messrs. W. H. Jacob and Dr. East, Master and Secretary respectively of the local Orange society, who, in behalf of the lodge, presented her with an address expressing the members' appreciation of her kindness in preparing the excellent programme presented at their recent "at home." The address was accompanied with the gift of a handsome chair.

Before Mr. John Cavley, J. P., on Monday last, a charge of assault and a suit for wages came up for trial. In both cases the plaintiff was Chas. A. Hickson and the defendant Wm. Doolan. Mr. Beale appeared for the plaintiff and Mr. Lewis for the defendant. The assault case was of short duration. No one witnessed the alleged assault, and honors being bestowed "easy" on the evidence adduced, the charge was dismissed.

THE BUSINESS WORLD. Marcus Daly of Montana and his associates have sold out the Anaconda Mining Company's interest in John D. Rockefeller and syndicate for \$28,000,000.

Amos Campbell, boot and shoe manufacturer, Montreal, has assigned to his creditors \$119,078. Campbell recently suffered severe loss by fire.

THE BRITISH GOVERNMENT has decided to appoint special commercial agents at the leading American and Continental industrial centres for the purpose of reporting on methods calculated to develop British commerce.

THE LABOR WORLD. On Saturday the Hamilton Smelting Works gave Peter Peterson, the sub-contractor from Toronto, the job of getting men to work for defendant for a year but the contract was cancelled and the company took the old hands on again. Peterson was paid with stone and mud on Sherman avenue at noon.

On Saturday the Cleveland street car officials refused to allow passengers to meet the men as union men, and the strikers and their friends to the number of 4,000 people in the park and Pearl avenue against the police. Several people on both sides were seriously injured. All negotiations have been declared off by the strikers, who declare the company acted in bad faith.

THE FIRE RECORD. During the violent thunderstorm on Monday, the night of Clark street and Myer's, five miles northeast of Teoswater, was struck by lightning, and with his clothes was killed the ground. Four calves were cremated.

Dutton Bros. large spire mill in Toronto was badly damaged by fire and was early Sunday morning. The loss will be about \$4,000. There were several other small fires in the city, the largest aggregating \$25,000 more.

The residence and contents of Edward Dunn, Owen Sound, were destroyed by fire early Friday morning. The fire had gained so much headway before discovery that Mrs. Dunn had to drop her small children in from an upstairs window into the arms of Dr. Howey.

CASUALTIES. The United States smokers powder works at San Rafael, Cal., blew up on Saturday afternoon. Five men were killed.

At the sheep ranch of M. L. Butler, San Antonio, Texas, every living thing was swept away by a cloudburst on Tuesday night, and the entire Butler family, consisting of his mother and two children, are reported to have perished. Henry Carver, on the cattle ranch lower down, was killed.

THE DEATH OF WAR. The Second Divisional Camp closed on Friday at Niagara. A roll of soldiers marched past His Excellency. The closing review was very fine.

THE DEATH OF WAR. The Duke of York has decided that his son, Edward, will ultimately enter the army and join the 10th Hussars, of which the Prince of Wales is Colonel, and the late Duke of Clarence was an officer.

THE DEATH OF WAR. Major Drummond, military secretary, acting for the Gordon Memorial college fund from Canada, was killed.

THE DEATH OF WAR. Peter Sharbot, an Indian living at Sharrow Lake, has been convicted of hitting an adopted child. Sentence was deferred.

THE DEATH OF WAR. Thursday night burglars broke into the Chesley postoffice and blew open the vault. They only got a few coppers for their labor.

THE DEATH OF WAR. The trial of the four Lyndens for burglary of Fair's cigar store at Brantford has been fixed for Friday, June 23, before the Judge alone.

THE DEATH OF WAR. Fred W. Barber of Georgetown, nephew of Mr. John B. Barber, M.P., has been appointed superintendent of the Big Northville farm now being established by the Williams Van Horne.

THE DEATH OF WAR. Mr. and Mrs. Len. Comett of Brockville are among those enjoying the bass fishing at Charleston this week.

THE DEATH OF WAR. Mrs. S. K. Mathews, some years ago an esteemed resident of Athens, died at her home in Morrisburg on Friday last.

THE DEATH OF WAR. In Brockville on Tuesday six residents of Elgin and vicinity were fined, including costs, \$6.80 each for illegal fishing in Sand Bay.
