TO OUR CUSTOMERS.
We have just put in, at great expense,
WONDERFUL MACHINES, heated by
steam, for only passing through the
rollers once; the result—WORK IS
EASIER, WILL NOT BREAK, and will
last much longer than when heated by
the old method, heated by gas, which
has to pass through the rollers eight
times.
P.S.—We have also added a newly
invented machine to iron the edges of

Looking For a Man.
St. Catharines, Nov. 2.—The police
are on the lookout for a Hungarian
named Stojan Kolometric, who is ac-
cused of murder. On Oct. 19 in a
dispute in a boarding house, near
Falls View, Ont., where both men
lived, it is alleged that Kolometric
shot Stephen Mojus and Mojus was
brought to St. Catharines Hospital,
where he died of the wound. Kolome-
tic disappeared after the shooting.

WHY CATARRH POISONS THE SYSTEM.

The Catarrh germ excites inflam-
mation, offensive secretions are
thrown off and pass into the cir-
culation, contaminating the river of
life and thus wreck the whole body.
Every catarrh victim should use Fer-
rozone, healing Catarrh, the most
surer cure for every type of catarrh
yet discovered. Catarrh can't fail
to cure, because its vapor kills the
germs and removes the cause of
the trouble. Then it soothes and
heals, stops the cough and relieves
the stuffed up condition of the nose
and throat. Tens of thousands have
been cured by Catarrh, which is
guaranteed. Use only Catarrh, com-
plete outfit \$1.00; trial size 25c.

Canada's New Governor-General.
London, Nov. 2.—Earl Grey propos-
es, Reuter's Agency learns, to leave
England on Dec. 1, by the steamer
Parisian, to assume his post as Gov-
ernor-General of Canada. Colonel
Hambury Williams, military secretary
to the Governor-General, will leave
for Canada with his family on Nov.
3, by the Tunisian. He will have an
interview with the Earl of Minto be-
fore His Lordship leaves the Domin-
ion.

RICH COLOR AND SOFT SKIN.

may be imitated, but beauty is more
than skin deep—it is hidden in the
blood. Eliminate the poisonous pro-
ducts of indigestion by Ferrozone
and complexion rapidly improves. In-
crease the red coloring matter in the
blood, give it more nutrition and
more red cells, do this and cosmetics
won't be needed. Give up cosmetics,
they wither too quickly. Use Fer-
rozone and have your complexion
firmly established. There isn't a
case of blotched skin, poor complexion
or lack of color that can't be quickly
remedied by Ferrozone. Try it. Price
50c.

Sympathizes With Irish.

London, Nov. 2.—(C. A. P.)—John
Callaghan of Boston, secretary of
the United Irish League of America,
speaking at Kilkenny, Ireland, thank-
ed God that the Government of Can-
ada from the Premier to the humblest
Cabinet officer were on their side,
and had taken occasion to let the
rulers of England know they were in
sympathy with the Irish cause.

NOTHING LOOSENS UP COLDS

On the chest and relieves that tight
feeling and hard cough like Nerviline,
writes E. P. Benshall, of Sutton. "I
never used any other remedy but Ner-
viline and find it serves as a gener-
al household liniment best of all.
Children's colds and inflammatory
pains are quickly cured by Nerviline,
and its action on colds, coughs and
sore throat is unequalled by anything
I ever used. Nerviline is both power-
ful, pleasant and reliable." Every
mother should use Nerviline. Price
25c.

Setting Him Right.

An Irish soldier was crossing a bar-
rack square with a pail, in which he
was going to get some water. A ser-
geant passing at the time noticed that
Pat had a very disreputable looking
pair of trousers on and, wishing to
make a report, stopped the man and
asked, "Where are you going?"
"To get some water."
"What! In those trousers?"
"No, sergeant; in the pail."

A TIMELY SUGGESTION.

This is the season of the year when
the prudent and careful housewife
replenishes her supply of Chamber-
lain's Cough Remedy. It is certain
to be needed before the winter is over,
and results are much more prompt
and satisfactory when it is kept at
hand and given as soon as the cold
is contracted and before it has be-
come settled in the system. In
almost every instance a severe cold
may be ward off by taking this
remedy freely as soon as the first in-
dication of the cold appears. There
is no danger in giving it to children
for it contains no harmful substance.
It is pleasant to take—both adults
and children like it. Buy it and you
will get the best. It always cures.

FIVE MEN IN A RUNAWAY

Every One Injured and Bones
Snapped Like Kindling Wood.

Team Collided With Telephone Post and
Finally Buried Big Through Plate
Glass Window—Horses Shied On En-
countering a Street Car—In the Mix-Up
No Fewer Than Six Legs Were Broken—
Names of Injured.

Brantford, Nov. 2.—The most re-
markable and disastrous runaway in
the recent history of Brantford oc-
curred shortly before 10 o'clock Mon-
day night. Five men had driven to
Burford in a two-seated covered rig,
drawn by a team of horses, and were
returning via Paris road, when the
accident happened. Near the car
barns on Brant avenue a street car
was encountered. The horses shied
and broke into a run. The rig collid-
ed with a telephone post on the side
of the road, was overturned and the
occupants thrown into the street.

There were five men in the outfit
and all were injured. In the mix-up
six legs were broken and other
wounds inflicted. All were caught be-
tween the rig and the post and bones
snapped like kindling wood. The in-
jured are:
John Syrett, 62 Dundas street, one
leg broken, one rib fractured.
William Coleman, 177 Darling
street, one leg broken.
George Walters, 99 Pearl, two legs
broken.
Charles Mahler, 97 West Mill
street, two legs broken.
William McLeans, 261 Clarence
street, bruised knee.

All the men are maulers in the
employ of the Buck Company. The
ambulance was called out, the men
were picked up on Brant avenue, near
James street, and were removed to
the hospital, where their injuries were
attended to.

The team of horses dashed down
Brant avenue, turned east along Col-
borne and finally hurled the rig
through Ald. Corey's plate glass
window at his grocery store, corner
of Colborne and Murray streets. The
top of the rig was demolished, one
wheel was smashed and the harness
slightly damaged. The horses es-
caped unhurt. The men were doing
well at the hospital yesterday.

Fatal Halloween Accident.

St. Thomas, Nov. 2.—A horse driv-
en by John T. Evans, groom for Dr.
Guest, became frightened at the noise
made by a number of young people
celebrating Halloween on Talbot
street Monday evening, and ran
away, colliding with a telegraph pole
and throwing Evans out on the pave-
ment. He was picked up unconscious
and died at 6 o'clock yesterday
morning. He was twenty years of
age.

Boy Accidentally Killed.

Havelock, Nov. 2.—Wilbur Davis,
son of Samuel Davis, of Belmont
township, living about ten miles
from this place, shot himself ac-
cidentally yesterday morning. He was
twelve years of age and was hunting
in company with his father and brother.
His father hearing the shot,
went to him, and found the boy dead,
with a charge in his left side below
the heart and the empty gun lying
near.

Two Trampmen Injured.

Halifax, N.S., Nov. 2.—The C.P.R.
train, which left here yesterday morn-
ing for Montreal, ran into a special
at Oxford Junction, which was on
the siding. Both engines were broken
up. The driver and fireman of the C.
P. R. were badly injured, but all
passengers and other train hands es-
caped injury.

One Killed and One Injured.

Hamilton, Nov. 2.—William Moodie,
Liverpool, was killed, and William
Myers, Orillia, was painfully injured
in a wreck on the T. H. & B. yester-
day morning. While the train was
coming down the mountain it broke
in two, and the rear end crashed into
the front portion at the foot of the
mountain, near Prospect street. Six
cars were smashed into kindling
wood.

The Rival Nightingales.

A writer on birds, Edmund Selous,
describes a song contest between two
male nightingales. "Jealousy," he says,
"did not seem to blind them on the
merit of each other's performance.
Though often one, upon hearing the
sweet, hostile strains, would burst
forth instantly itself—and here there
was no certain mark of appreciation—
yet sometimes, perhaps quite as often,
it would put its head on one side and
listen with exactly the appearance of
a musical connoisseur, weighing, test-
ing and appraising each note as it
issued from the rival bill. A curious,
half suppressed expression would steal
or seem to steal for fancy may play
her part in such matters—over the
listening bird, and the idea appeared to
be, 'How exquisite would be those
strains were they not sung by —,
and yet I must admit that they are ex-
quisite.'"

CHURCH RIVALRY.

Our New Governor-General Has Some-
thing Sensible to Say.

London, Nov. 2.—Earl Grey Mon-
day opened a bazaar in connection
with St. James' Presbyterian Church,
Aberdeen. "It has been said to me,"
he remarked, "Why is it that you,
a member of the Church of England,
assist in a bazaar which is pro-
moted with a view to increasing the
power of rival churches? Well, I am
one of those who look upon the vari-
ous Protestant churches in this coun-
try not as rivals, whom we ought all
to try to keep in their proper places
behind us, but as comrades who want
to be helped as far as they possibly
can. I believe there is much greater
advantage to be derived by dwell-
ing on the points that unite us than up-
on points of dogma and ceremonial
that divide us."

PERMANENCE OF CURE

THE CHIEF MERIT.

Many so called pile remedies will
afford the user slight temporary re-
lief, and the majority of sufferers do
not expect more than this. Women
especially, after having tried
every preparation recommended for
the cure of Piles, have come to the
conclusion, that there is no cure ex-
cept by an operation. This is right-
fully viewed with dread, because of
the shock to the delicate nervous
system of women, and many of those
afflicted, have resigned themselves to
the situation with never a thought
that there is any help in sight for them.

We invite the attention of all such
to the experience of a lady whose
address is given below.

"I feel it my duty to recommend
the Pyramid Pile Cure, for after suf-
fering ten years with a most distress-
ing form of Piles, I am entirely
cured, thanks to this remedy. Any-
one suffering from Piles, can write to
Margaret Burt, 156 Whitman St., Cleve-
land, Ohio."

Ten months later she writes: "I
am glad to say that I am still per-
fectly free from Piles, and have not
had the slightest trouble since I first
used your remedy. I am well known
in Cleveland and have advertised
Pyramid Pile Cure extensively here.
I take pleasure in doing so as it saved
me from an operation, which I al-
ways dreaded, and you are assured
the remedy can have no firmer advo-
cate than I."

Druggists sell this famous remedy
for fifty cents a package, and we
urge all sufferers to buy a package
now and give it a trial to-night.

WAKEFUL CHILDREN.

For a long time the two year old
child of Mr. P. L. McPherson, 59 N.
Tenth St., Harrisburg, Pa., would
sleep but two or three hours in the
early part of the night, which made
it very hard for her parents. Her
mother concluded that the child had
stomach trouble, and gave her half
of one of Chamberlain's Stomach
and Liver Tablets, which quieted her
stomach and she slept the whole night
through. Two boxes of these Table-
ts have effected a permanent cure
and she is now well and strong. For
sale by all druggists.

so, and is a well man to-day. For
sale by all druggists.

She Liked Bargains.

Clarissa (gettishly)—Why on earth do
you keep asking me to marry you?
Haven't I refused you once? Rupert
(with an attempt at jocularity)—You
have, but I wanted to give you another
chance before offering this bargain
elsewhere. Clarissa (on the alert)—A
bargain, did you say? Rupert, dear, I'll
take it!
