LECTURE IN BEHALF OF RETURN

ex-service men at the same theatre on Sunday evening at the close of the regular church services. There was a large gathering, practically every seat being filled. Mayor Chambers presided and on the platform besides the lecturer were Rev. R. F. Dixon, Rev. D. B. Hemmen and Mr. G. C. Nowlan, secretary of the G. W. V. A. The subject of the address, which was listened to with close attention, was "The Fading Poppies of Flanders Field", from which the speaker depicted conditions since the war, arguing that the returned men, in many cases, had not received and were not receiving fair treatment. He recounted instances near at hand to prove his contention and urged that the services of those who gave themselves to the task of defending the Empire should not be forgotten. A fine program which included vocal solos by Mrs. Eugens Eaton, Mrs. Sutherland and Mr. Parsons, a volin solo by Miss White, of the Seminary, and a cornet solo by Harold Phinntey, proved a pleasant feature of the evening, and at the close a silver collection in aid of the funds of the G. W. V. A. was taken. A hearty vote of thanks to the lecturer and also to Mr. Evans for the use of the theatre was moved by Rev. R. F. Dixon, seconded by Mr. Nowlan and unanimously passed.

And that Bills will be introduced that will tend to meet to some degree the demand for improved accommodation for the Feeble Minded of the province.
