Started on Time Along the side of the course many motor cars were lined up and a large number of people were perched on the top of Lamont's office and the adjoining wood pilings obtaining a splendid view from the start to the finish.

Two Boys Hurt Throughout the entire races the fun was fast and furious, yet with such a large number of dogs, competing and other wise, it was noticeable that there were very few accidents, although John Wood while competing in the long distance event, was attacked by a dog belonging to another competitor and had to receive medical treatment for a badly bitten finger, from Dr. Rosenberg.

Forrest Visitors Were Successful Scored Victory With the Rocks Yesterday Against Brandon Team

The Brandon Curling Club yesterday entertained Forrest, who sent over two rinks to meet the locals in exhibition games.

They succeeded in beating Brandon by the narrow margin of four points, the score being 23-19.

Most of the members of the local association took advantage of the holiday, and the ice was well patronized throughout the day. The Forrest rinks are much stronger than in other years, and adding this to the fact that Brandon were not up to full strength the result is not surprising.

Brandon—J. J. Parkin, William Clark, A. R. Trench and Thomas Baker. Forrest—D. McKenzie, A. Forsythe, Duncan Forsythe and Peter Forsythe.

Brandon—James Gibson, Fred Dundas, Charles Pearson and William Fenwick. Forrest—L. McKenzie, L. McKay, Cliff Watkins and A. C. McFall.

The district matches take place next week in Brandon for the district comprising Alexander, Forrest, Carberry and Brandon. This is an elimination contest, and the winners of the district are eligible to take part in the Winnipeg bonspiel.

The Brandon bonspiel will take place on January 26. On Monday night the Brandon Curling Association will hold a meeting at the display building at 7.30, to select rinks for the district matches.

LOCAL BOYS LOSE HEAVILY TO SPEEDY KENORA TEAM

Failure to Get Together Before a Terrific Sustained Attack Brought the Brandon Players Defeat by Ten to One Last Evening

The local senior hockey team opened their home series in the Manitoba and Western Ontario league last night at the Arena rink, playing against Kenora, and suffered defeat by a score of 10-1.

Crowd Came Early This game had been eagerly awaited by a large number of hockey enthusiasts in the city, and thirty minutes before the commencement of the game there were 1500 people present; and the crowd were still steadily coming in.

The game found 2,000 in the seats. The Brandon team were first on the ice, followed quickly by the Kenora boys and both teams had a rousing reception.

Kenora Opens Score Kenora won the toss and defended the north end. After a short visit to the Kenora goal by Brandon, their opponents, by means of a fine spirit by W. McKenzie, followed by a lightning shot from Goodie, opened Kenora's account. Smith, in the Brandon goal, being helpless to save.

Some Fast Play W. McKenzie and Goodie who seemed to find the opposition easy came again, and Goodie scored number two for Kenora.

The game was now being fought out at a very fast pace, with Kenora having a good deal of the play. H. McKenzie scored a third goal in an easy fashion, Smith apparently being at fault in placing himself for the shot. A fine run by Scott and Caldwell for the home side relieved the pressure on their goal, and Scott again came very close with a swift shot. The game now became rather rough, three of the home team being sent to the fence, followed by two of the visitors.

Fire at Interval Continuing to show great skill in their manipulation of the puck, the Kenora septette scored their fourth and fifth goals through H. McKenzie and Hilliard, the fifth being the result of a beautiful shot from some distance out. This was all the scoring before the interval which came with Kenora leading by 5-0. In the first half, the best features of the Brandon play had been the fine form shown by Scott and Munnery, the latter playing great hockey, and saving his side time and again.

A Strong Goal The second half opened with a fine shot by Caldwell and a brilliant save by McKinnon. Brandon continued to press for a few minutes, McKinnon bringing down the house with a magnificent save from Winty. The home side, although badly outmanoeuvred, played pluckily and were several times within an ace of opening their account. Cameron, McKenzie, and McKinnon.

PRINCE EDWARD SUPPER PARTY

Crowd of Brandonites Had Enjoyable Time Bringing in the New Year

DINING ROOM CLEARED TO ALLOW OF DANCING Festivities Were Carried on Long After Midnight Had Arrived

A large party of the representative society folk of Brandon gathered in the dining room of the Prince Edward Hotel about 11 o'clock on New Year's Eve to partake of the fare provided there for those who wished to greet the New Year in the orthodox manner.

Enter Father Time After the supper had been in progress for not quite an hour, every light in the banquet hall was extinguished save that from a huge clock face whose hands pointed to the arrival of the new year, while the twelve strokes of midnight bade farewell to the old. At this juncture Father Time, white bearded, black robed and bearing a scythe and lantern, stalked through the room, leading the New Year as represented by the youngest son of Manager Hutcheson, bearing a bag lettered "1914."

Toasted New Year As the orchestra struck up, the guests burst into a rendition of "Auld lang syne," while a hearty handshake went round the tables, and the New Year was toasted.

Following the supper, the floor was cleared, and dancing ensued to the strains of an excellent orchestra. This continued till the "wee sma' hours," and the light of New Year's day was not far distant when the last revellers wished each other a final glad new year and took their leave.
