### A Quick Relief for Headache

A headache is frequently caused by badly digested food; the gases and acids resulting therefrom are absorbed by the blood which in turn irritates the nerves and causes painful symptoms called headache, neuralgia, rheumatism, etc. 15 to 30 drops of Mother Seigel's Syrup will correct faulty digestion and afford relief.

### Perth Locals

Stanley E. Waugh returned Sunday from Toronto with a carload of eighteen fine horses which are now on exhibition at his stables here.

Miss Eileen Tatlock, of Plaster Rock, was the guest of Mrs. W. Leitchford on Tuesday and Wednesday.

Mr. and Mrs. S. M. Inman are being congratulated on the arrival of a little daughter at their home on Thursday.

George Morehouse had the misfortune to injure one of his knees very badly one day last week, while working on the planer in J. E. Armstrong's mill in the colony. Mr. Morehouse has the sympathy of all, as this is the second bad accident he has suffered this winter.

C. F. Grant, C. P. R. brakeman on one of the freight trains, hurt one of his arms quite badly last week while discharging some duty connected with his work. He is laid up at his home here.

Miss Beulah Ebbett, of Florenceville, is visiting her cousins, Mr. and Mrs. S. E. Waugh.

One of the twins belonging to Mr. and Mrs. L. Saunders, is suffering from a bad case of bronchitis.

Mrs. A. D. Campbell and niece, Miss Sherrer, of Arthurette, were calling on friends in town on Thursday.

We were treated to a real electrical storm on Friday night, which started about 12 o'clock. Strange to say, very few of the citizens were awakened, as the thunder was quite distant but your correspondent, who thoroughly enjoys a thunder storm, arose and made a hasty toilet, preparing for the worst. However, after about half a dozen bright flashes of lightning, the storm abated to our great relief.

The Thomas Marks Stock Co. played a three nights engagement, at the Specialty last week, finishing up on Saturday night with "Bringing up Father." A large audience greeted the performers each night in spite of the inclemency of the weather.

Many friends here of Mrs. J. F. Tweeddale will learn with deep regret of her serious illness, at the home of her daughter, Mrs. J. Frye, of Boston. Her son, Gustave Tweeddale, of Arthurette, was summoned last week to see his mother.

William Johnston was taken to Woodstock Hospital on Monday afternoon, where he underwent an operation for appendicitis. Word reached here Wednesday night that he was dead. This was a false report as he is alive at this writing, although in a very critical condition. His friends hope for his recovery.

On Tuesday night the Plaster Rock Basket Ball team played against the Perth and Andover team at the Specialty. A large number of spectators were present. The score was 23-7, in favor of the home team.

Miss Muriel Baird returned last week to resume her studies in Mount Allison college.

R. W. Estabrook expects his milliner to arrive this week, with a full line of spring goods.

Miss Winnifred Price, for about two years a valued member of the N. B. Telephone staff, has resigned her position, and accepted a position elsewhere. Miss Price will be much missed among the younger set, she being a talented musician and always taking part in the social affairs. We all wish her success in her undertaking.

(Intended for last week)

Vaughan Henshaw left recently for his home in Wolfville to visit his mother who is very ill. He has been spending the winter with his grandmother, Mrs. R. Lovely, and aunt, Mrs. A. G. Ganter.

About 37 of the young boys in Perth and Andover have joined the cadets. They will have their first drill next Saturday afternoon in the building in Andover. Elery Price will be their instructor. The boys can hardly wait for the last of June to come, when they will go to Sussex to drill.

The funeral of Samuel Campbell, of Carlingford, took place from his home Tuesday afternoon. Interment was made in the Andover Methodist cemetery. Mr. Campbell had been ill but a few days and his death came as a shock to his friends. His wife died about two weeks ago.

Miss Eva Hiseock, of Bairdsville, spent the week-end with Mrs. Henry and W. H. Baird.

Dyson Wallace, of Woodstock, was a recent visitor at the home of Dr. and Mrs. MacIntosh.
