the only plank in the "Liberal" fancy goods from the Sackville Book Store, two sets of superior harness manufactured by Messrs. Johnson & Dobson, and a collection of the colembated Charter Oak Stoves and Payers manufactured by Messrs. Johnson & Blake's policy?"

—The following gentlemen were sworn in barristers at Fredericton last Thursday. Albert A. Chapman, David Grant, James Manufactured by Messrs. Johnson & M. Knight, Fdward Girouard, C. H. Ferguson, B. McLeod Vince, Alexander David Grant, Alexander and exhibited Straton, Robert R. Ritchie and Charles J. country and they have done want they could to remedy the defect by discouraging emigration and offering every inducement to intending immigrants. These measures having proved largely fattle, a prominent legislator new proposes to review an old Roman law putting a tax on bachelors, with the object of driving them into matrimony, or, failing that, compelling them to contribute handsomely to the revenues of the country. Accordingly a bill embodying this tax has been drawn up and will be introduced into the legislature this winter.

"Ma, has Sir John swallowed Mr. Blake's policy?"

"Nonserse, my love, what a silly question. What do you mean?"

"Cause I heard pa say that the Reform party's hopes were in Sir John's stomach.

"THE TAXATION QUESTION.

One of the most persistent charges brought against the Macdonald (Government by the Grit organs is that it has caused an "enormous increase of taxation;" and, in consideration of the effect this constant of the legislature this winter.

Mossomin.

—The distress in the ship-building trade in the north of Eagland is increasing, and the trade on the Tyne is parslyzed.

—There are dissensions in the French Cabinet over the proposition to increase the import duty on cattle and wheat.

—A large consignment of tweeds and woollens, manufactured by the Lambton, Ont., Woollen Mills, has been shipped to England. Other shipments will follow regularly if satisfactory returns are received.

—On the opening of the British Parliament a commission will be appointed to inquire into the state of the navy, and the Admiralty will ask for an increased grant for ship.

And yet, the facts searcely warrant was not occasion for complaint. The show as a whole was in advance of always goes Republican in the year of a Presidential election. This society, notwithstanding a particular progress is being made in this description by the show as a whole was in advance of always goes Republican in the year of a Presidential election. This society, notwithstanding a particular progress is being made in this description by the show as a whole was in advance of always goes Republican in the year of a Presidential election. This society, notwithstanding a particular progress is being made in this description by the show as a whole was in advance of always goes Republican in the year of a Presidential election. This society, notwithstanding a particular progress is being made and woolens, manufactured by the State. Mr. Dudley, to millions of a canvassing tour of the State. Mr. Dudley, to millions of cardate and sollent and progress is being made and sloppy stock yard there was no occasion for complaint. The show as a whole was in advance of always goes Republican in the year of always goes in the previous exhibition by the show as a whole was in advance of any appointed to inquire into the state of the navy, and the Admiralty will ask for an increased grant for ship-building to enable it to give orders to private firms for the construction of swift, heavy armed, light armored very sessils.
