NEW YEAR'S EVE.

It was New Year's Eve, and the snow, which had been falling steadily all day, had now ceased. A stinging north-west wind was blowing. The streets were deserted, and most of the houses closed. One, however, and that the most imposing on Frontleroy Square, blazed with light, for a ball

was being given within. Before one of the drawing-room to the railing, and looking in, was a woman, apparently not over twentyone and who had once been beautiful. But her form was now attenuated, as if by long sickness, perhaps even hunger, and she was both poorly and

thinly clad. "That is Hetty," she said, in a hushed whisper. How beautiful she has grown." In her eagerness she rose on tip-toe.

nolding on to the railing, and lifting her head, till her bonnet fell backward. At that moment, a gay well-remembered air rose from a superb band

ube." she cried. "Hsw I used to love to waltz to it." bars of the music had died away. Then the promenading began again. never, never speak to me again; but

was laid on her shoulder. "None of this. Move on, move ou."

She shrank as if polluted, and fled frightened, from the big, burly policeman. But she went no further than around the corner. There, hiding behind a tree, she watched till he had disappeared on his beat, and then nized her at once. stealthily crept back to the window. "Dear Hetty," she said, as a slender, graceful girl again approached the

that told a whole story of love and adoration, "the glamour is on her too. God grant she may fare better than I did.' Helen Fortescue, for that was the wayfarer's name, had been a high spirited, petted, impulsive girl, a plausable, handsome adventurer, of Mr. Fortescue, who, with Hetty, after she had been told his real charac- guests. ter. Had her mother lived, it might

tescue had been dead for more than ten years, and poor Helen had grown HALL'S BOOK STORE, up, without that most invaluable of all things to a young girl, a mother's constant, supervising care. For now her once loved father seemed both prejudiced and tyrannical. There was a stormy interview, in which Mr. Fortescue forbade the appeal of the young wite for forgiveold Hebrew's, pronounced on the bursting into tears, she flung herself Dr. Lamb, in reply to the question hook with a frog. disobedient child: and then a fainting on her knees by the couch. girl borne off, by terrified servants, to

only too soon, from her dream of in a shriek. less girl was utterly desolate; for as tionary. long as Helen had something to love, wardrobe, and partly by her needle; but when the tiny coffin was paid for, and the innocent babe laid in its humble grave, she was literally destitute. Then began a terrible struggle, a struggle merely for bread to eat. a struggle merely for bread to eat.

Hundreds of times Helen felt that it
