SHIFF AND GATLORD'S MINSTRELS .brated Troupe of Artists, who have jus brilliant and highly successful engagement will give two of their pleasing and popular will give two it ther generating and popular ments at the Temperance Hall ou F Saturday evenings, June 7 and 8. Th press speaks of them as follows: "The po of Skiff and Gaylord's Minstrels was be desired, and well worthy the very libe age they have received here. Master I lord, the boneless boy, is one of the most that has ever s ful performers successful Halifax."

The new boat built for the St. John contest in the Paris Regatta, weighs, a less than 175 lbs.; she is 34 feet long, 3 f beam ; 13 inches deep, with a rise of 3 in lock. She draws, with the crew in he of water at the bow, and 4 inches at the

THE WEATHER .- The weather durin just closed has been very cold, and much be sown very late in the season. This couraging, seeing that flour has reache ally high price of from three pounds ter four pounds per barrel, and that very me out the means of procuring it. The pe Brunswick, and parts of Nova Scotia, a intertunately situated than are the his Island. The low lying interval this Island. neighbouring Provinces are, in many under water, and will not, for some the be in a state fit for cultivation. The kets are depressed; little or no shipbuil carried on, and money is very scarce therefore, expect hard times during upon which we are now fast entering.

Perhaps nothing indicates the state of trade better than our spring Imports a hard summer is before us it needs demonstrate. Our imports from Gre fully 30 per cent less than they were 1 and merchants will find it difficult to d this comparatively small stock. Of h imported in 1866 up to the 1st of June of flour, and 385 barrels of Cornmes for the same period, our imports are of flour and 1,160 barrels of Column price of flour has checked the imp former articly nearly one halt, while it that of the latter 300 per cent. The fully as much breadstuffs as ever it is so dear that the people must and it, and buy a cheaper and courser art

BOMBARDMENT OF CITY OF MEXICO. BORDARDMENT OF CITILO BALLADO May 21. — The Prequest special c dated Orizaba, May 3, says the Cit surrounded by 20,000 Liberals, an bardment has commenced in earnest. numbered 8,000 men, under the cou quez, who had announced his inten the last. He had impressed all the and porters. None of the officeri quarter from the Liberals. Indee been issued that Miramon, Marquez were to be shot if captured. Since Presbla the Imperialists have not 1 men in the field all told.

It is stated that the New Brunswi intend creating an Equity Judgeship British Columbia news via San to meet that Governer Seymour to meet the reported desires of Bri enter the Confederacy.

Who appreciates the fact that there portance attached to such a commodi is generally supposed that anybody of all can take them. But visit the labo

Aver and you will be disabused of the trifle to make any medicine and adap millions of men-to so adjust it to th cure their complaints, as to make their tomers in all the zones. Physicial some skill to adapt their doses to a a them if it is not an intricate problem tive pill to the necessities of untold r shall benefit them nearly all. Dr. Ay plies 60,000 doses of his Pills per di he head of an y man to administer suffering, and especially when, as is l thing is done with the extremest [Randolph (Vt.) Statesman. QUICK PASSAGE .- The Schoone son, Master, which left this port May, with a cargo of herring, for on Wednesday last, having made in 4, and the round trip in 14 de which is owned by the Charlot
