

Why don't some flours behave?
Why don't they keep good?
 Because they contain too much of the branny particles, too much of the inferior portions of the wheat—may be little pieces of the city germ. Which act on one another—that's why some flours "work" in the sack. **FIVE ROSES** is the purest extract of Manitoba spring wheat berries. Free from branny particles and such filth. It will keep sound, and sweet longer than necessary. Keep it in a dry place, and when needed you find it even healthier, sounder, fresher, drier than the day you bought it. Buy lots of **FIVE ROSES**. It keeps.

Did you ever know of a hat guarantee so strong as this?

Think of it—

a new hat any time within four months, to any man who can show a Buckley hat that has succumbed to wear and tear, or to accident, within that length of time after date of purchase. The man who wears Buckley hats is sure of a reasonable hat-cost—because the makers of the Buckley guarantee that each Buckley hat shall be good for at least four months' wear. The man who is Buckley-hatted knows that he is "hat-right" not only as to quality, but also as to style—the style supremacy of the Buckley has long been recognized. English as to quality, it conforms to American style tendencies.

The Buckley creates styles where lesser makers are content to follow the beaten path. Another feature of the Buckley is that it is strictly a Union-made hat.

Note the "accident clause" in the guarantee. Many have wondered at its insertion, claiming that it makes it too easy for a man to get a new hat. That feature of the guarantee was prompted by a strong belief in the inherent honesty of mankind and a desire to remove all possibility of quibbling or questioning on the part of the merchant. Backed with that clause, your hatter is in a position to hand you out a new hat without hesitation and without suspicion.

Any good hat store can get you the Buckley—the price is no greater than for an ordinary hat. They sell for \$2.50.

CHILD KILLED ON THE RAILWAY

Distressing Accident at Cedar Hall —inquest Was Held on Monday.

[Campbellton Graphic]
 Last Saturday Albert Paradis the 2½ year old son of George Paradis was run over by a train on the I. C. R. line at Cedar Hall and instantly killed. The child had got on the line at the back of the train when the engine had stopped to take water and it is conjectured that when starting again the child had been knocked down when the engineer had backed to take up the slack. At the inquest which was held on Monday the jury returned a verdict exonerating the company from all blame.

The French complain that the British take their amusements solemnly, but the Coronation showed that no people can take a holiday with greater enthusiasm. It might be noted in passing that the officials in Montreal who are nearly all French spent not one penny on decorations for their City Hall on Coronation Day, to show their loyalty, but would squander \$50,000 in decking their streets and buildings for the Papal delegate.

THE CURSE OF THE NATION IS CONSTIPATION

"Fruit-a-tives" Alone Cures This Disease

A famous scientist states that Constipation, or non-action of the bowels, causes more deaths than all other diseases combined. Constipation inflames the Kidneys, ruins digestion, is the foundation of Rheumatism, poisons the blood, causes Headaches, Neuralgia, Nervousness and Insomnia. Constipation is caused by a weak or sluggish liver. Bile, the only purgative of the body, is secreted by the liver, which in turn should pour out into the intestines sufficient bile to move the bowels. Unless the liver is active, there cannot be enough bile to move the bowels regularly, and Constipation is the result. "Fruit-a-tives", the famous fruit medicine, will always cure Constipation because it acts directly on the liver—relieves the congestion—increases the quantity of bile—and strengthens the bowel muscles. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or from Fruit-a-tives Limited, Ottawa.
