

Ma R. C. McDonald, of the firm of McDonald Bros New Westminster, B. C., arrived here last night, on a visit to his friends in his native Province. We are pleased to see our old friend looking so well and trust he will enjoy his vacation.

A new book on Canada, by Dr. Bourinot, will shortly be issued. It is entitled "How Canada is Governed," and gives in plain simple language a short account of the Executive, Legislative, Judicial and Municipal Institutions of the Country, together with a sketch of their origin and development. The book will be illustrated with numerous engravings and autographs, and being the work of so eminent an authority, Dr. Bourinot, will be indispensable to those who wish to be well informed about the affairs of the Dominion. The Copp, Clark Company (Ltd) Toronto are the publishers.

KING'S COUNTY STILL TO THE FRONT.—King's County is showing up well this season, in the matter of teas. "Grand Tea," "Jubilee Tea," and "International Tea," have already been announced; but now comes the "Cardigan Tea." That is a name to conjure by. Our friends of Cardigan Bridge have an enviable reputation on the tea-party question and the programme they publish for the 10th of July, shows they are bound to sustain that reputation. The inducements offered are so numerous and varied that it is difficult to understand how frail mortals can resist them. All these are so graphically set forth in the advertisement that the best commentary we can make upon them is to ask you to read the advertisement carefully. That done very little doubt can possibly exist as to where you will go on July 10th.

We are delighted to observe that, at the distribution of prizes, at the Sacred Heart Convent, Halifax on Monday last, Miss Ella Blake, daughter of our respected townsman, Maurice Blake, Esq., won most distinguished honors. The highest literary honors of the Academy were awarded her. She won a gold medal for arithmetic presented by His Grace the Archbishop; a gold medal for geography, Father Daly's; a silver medal for physical culture presented by Miss Manning and first premium for application and history in French, Miss Pauline Sullivan. Premium for letter writing and penmanship.

On Saturday night last, the boot and shoe store of Weeks & Warren, on the north side of Queen Square, was burglarized. The burglars removed two panes of glass from a window in the rear of the store, and through the opening thus made the door near by was reached, the bolt removed and an entrance effected. A door inside was forced open with a pole about six feet in length, and another door a little

ther on was opened with the aid of an old file. In the main store a drawer in one of the desks in which the cash box was kept was opened and the contents of the cash box taken. Then the till was rifled of its contents, except a few American cents. Some American script in the cash box was also stolen. Several pairs of boots were also stolen. The Examiner Office was visited the same night, the burglars obtaining admittance by removing one of the glass panes in the door. No money was taken from there. Money is very seldom stolen from a newspaper office; for the very best of reasons.

The closing exercises for the Queen Square school took place yesterday. Among those in attendance were His Honor, Lieut. Governor Howland; Rev. Dr. Morrison and members of the cathedral clergy, Dr. Anderson, Principal of Prince of Wales College; Hon. D. Laird; Messrs. Johnson, Handrahan, Ings, Kennedy and Blanchard of the City School Board, and several others. At noon the boys were massed in the upper hall, when an interesting programme was carried out, and the prizes and certificates presented. At the close, short addresses were delivered by the Lieut. Governor, Rev. Dr. Morrison, Dr. Anderson, Mr. Laird, and the chairman, Dr. Johnson of the School Board. The last named speaker thanked the teachers of Queen Square school for their assiduity and zeal in the important work assigned to them. The Lieut. Governor presented his medal for the best essay on "Canada and her resources" to the winner Master C. J. Moran, and commended them for singing "There's room at the top," and exhorted them to try and get there. The remarks of Rev. Dr. Morrison, Dr. Anderson and Mr. Laird were appropriate and complimentary and were well received. We regret that want of space prevents us from giving a more lengthy report of this week.

The new time-table, on the P. E. Island Railway, came into effect on Monday last. We are not authorized to publish it; but for the benefit of our readers, give, according to local time, the hours of departure of the different trains from the terminal points. On the western branch, the express for Summerside leaves here at 7:45 a.m., arriving at Summerside at 10 o'clock. Thence it proceeds to Tignish as an accommodation, arriving at the last named place at 5:55 p.m. At 5 p.m. an accommodation train leaves here for Summerside, connecting there with the Northumberland and leaving for Tignish as an express, at 9:10 p.m., and arriving at Tignish at 12:35 a.m. The morning express leaves Tignish at 6 o'clock, connects with the boat at Summerside and comes to Charlottetown as an accommodation. The accommodation leaves Tignish at 10:40 a.m., connects with the boat at Summerside, and comes to Charlottetown as an express, arriving here at 11:15 p.m. On the eastern branch there is little or no change from last year. The accommodation train leaves here for Souris and Georgetown at 7:25 a.m., and the afternoon express at 4 o'clock. The express leaves Souris at 2:20 and Georgetown at 3:15. Trains on the Cape Traverse branch connect with trains on the main line at Enfield in the morning and afternoon.

On Monday evening of last week, a cyclone struck Sturgeon, Kan., and swept everything from its path, which was clean cut and about 100 feet in width. No one, as far as known, was killed. A BEAUTIFUL pamphlet, richly engraved and printed in colors, descriptive of the routes, scenery and points of interest along the line of the Intercolonial Railway and its connections, has been issued from the Government Printing Bureau, Ottawa. The monthly bank statement for May, shows the amount due by the Provincial Government to the Merchants Bank of P. E. Island on the 31st day of that month to be \$94,318.00. The same statement shows that \$92,350.00 were due by Provincial Government to the Merchants Bank of P. E. Island. It is not impossible that the greater part, if not all, of this latter amount was due by our Local Government. How is that for borrowing?

When in town do not lose sight of that little patch of bare land in front of the house, a call at Gay's stalls in the market, and the expenditure of a few dimes for flower plants, a half hour's pleasure planting the same, and the result is you have more respect for yourself and others have more respect for you. See advertisement in another column. Prices very much less at the market, dealing personally with our customers. June 19—21.

HIS LORDSHIP, Bishop Cameron, of Antigonish, celebrates today, the twenty-first anniversary of his episcopal consecration, and the clergy and laity of his diocese have taken advantage of the occasion to manifest their respect and esteem for their venerable Bishop, and have made preparations to celebrate the event on a grand scale. His Lordship Bishop McDonald, Very Rev. Mr. McDonald, of St. Andrew's, Rev. J. B. McDonald, of Rustico, and Rev. J. J. McDonald, of Kinkora, left here yesterday morning to attend the celebration.

At High Mass in St. Dunstan's Cathedral, on Sunday last, His Lordship the Bishop addressed the congregation at some length, regarding his recent visit to Rome, and other parts of Europe. He spoke fearfully of his audience with the Holy Father, and of the paternal solicitude with which he enquired into the state of religion in these Provinces. His Lordship also referred to the evidences of faith observable in the different countries through which he passed, and of the famous shrine visited, and the numerous miracles wrought at them. At the conclusion of Mass he imparted the consecrated Eucharist.

He was re-elected in 1887, and again in 1891, being later appointed to the Senate. A VOICE FROM THE WEST.—Among our advertisements to-day will be found that of "The People's Tea." It is to be held at Misconche, on Tuesday July 10th. Misconche is famous for the success that has attended the tea parties held there; and the good people of Misconche deserve success in these undertakings. Within a few years they have erected and paid for a beautiful church, and are now engaged in building a new parochial house. The foundation is ready and the contractors have commenced work on the building. Such energy and pluck as this deserves commendation and encouragement. The most practical way of showing appreciation now is to attend the tea party referred to. Apart from the worthiness of the cause, the day is a rare enjoyment. Read the advertisement in another column, and ask yourself whether or not you can remain away.

Cardigan Tea

The ladies of All Saints Church intend having a

GRAND TEA PARTY AT Cardigan Bridge, Wednesday, July 10th, '95.

Cardigan enjoys a reputation not merely for good teas, but for the very best; and no pains will be spared to make this one eclipse all former ones. All amusements common to the gatherings will be provided. There will be on the grounds a well stocked saloon, directed by a party of young gentlemen, whose assiduous attention to their customers will be equalled only by the exquisite flavor of the drinks they dispense.

A professional cook, aided by the young ladies of the parish, will have charge of the baking, which is a sufficient guarantee that the tables will be abundantly and deliciously supplied. We will not say, however, in the stereotyped phrase "that the tables will groan under the weight of the many good things," for everything will be so pleasant at the Cardigan Tea that not even the tables will groan. They may bend and even break, but not complain.

A special train will leave—
Ch'town at 8.50 a.m. local time
Royalty Junction at 9.15 "
Bedford at 9.40 "
Mount Stewart at 10.05 "
Arr. Cardigan at 11.03 "
Returning leave Tea Grounds at 6.15 p.m. local time.

A special train will leave Georgetown at 1 p.m. local time. The line return tickets may be bought at the following reduced rates, Ch'town & Royalty Junction 75c, York & Bedford 60c, Tracadie, Mt Stewart & Piquet 45c, Peakes 35c, St. Theresa 25c, Lot 48 25c, Perth 15c, Georgetown 20c.

Return tickets will be issued at one single first-class fare from all Stations on Souris Branch, good for return on the same and following day.

In the evening a literary, musical and dramatic entertainment will be held in the hall at Cardigan. This will be a feature of the day that no lover of the beautiful can miss; as some of the best talents in the Province will take part. Doors open at 7.30 p.m. Concert 8.30 Admission 5c.

The People's TEA.

THE Parishioners of Misconche intend holding a

COLOSSAL TEA! ON—

Tuesday, THE—

16th of JULY.

Special trains will run from all points of the P. E. Island Railway, thus making it the only truly provincial gathering of the season. Preparations are being made on a most elaborate scale to make this social event surpass all former efforts, even the great Columbian Tea of '93. In the supplying of tables and saloons, and in the providing of amusements, the committees are bound to break all previous records.

An open air entertainment will be given, consisting of college glee and choruses, drills and gymnastic exercises together with a May Pole dance and music by the Heckman Band.

In connection with the Tea there will also be extensive BAZAAR TABLES, on which a varied assortment of useful and fancy goods will be exposed for sale. Train arrangements later.

ANDREW DOIRON, Secy of Com. Misconche, June 26, 1895.—11

THE GLORIOUS Fourth of July IS COMING,

and with it the

Grand International Tea AT—

St. Margaret's

THE Parishioners of St. Margaret's intend holding a GRAND TEA near the Church, on

Thursday, 4th July

In aid of the Church funds.

St. Margaret's is perhaps the finest place in P. E. Island for holding a Tea. The grounds are beautifully situated, overlooking a charming sheet of the waters of the Gulf, whose pure, cool and buoyant zephyrs never fail to invigorate the weakly constitution, and animate the robust. In general character the rich, mellow and variegated scenery to be met with here is equalled but by few places on the Island, and excelled by none. Strenuous efforts are being put forth to make this the most pleasurable social event of the season.

All amusements customary at such gatherings will be provided.

Spacious Dancing Booths will be erected where the devoted knights of Terpsichore may worship her to the melodious strains of the violin, discorced by our eastern violinists. A Piper will also be there to discourse sweet music to the sons of Scotia. Tables will be provided, laden with the most enticing edibles of nature's bounty, which will satiate the most fastidious epicure.

A good Saloon will be on the grounds well stocked with the best of temperance drinks. There will also be Ice Cream and Strawberry Stalls, Bazaar Counters, Revolving Swings, Wheel-of-Fortune, Phonograph, and a great many other interesting and pleasurable attractions.

Should the day prove unfavorable, the Tea will be continued on the next fine day. Tickets for Tea 25 cents.

JOHN A. McLELLAN, Secy of Committee. June 19, 1895.—21.

An excellent Refreshment Saloon, Dancing Booths and Swings will be provided. All attractive games, including a Grand Tug-of-War will form part of a great day's sport, at which all are invited to attend.
