## SOLIGNUM!

Used on Three Hundred Wooden Buildings.

I consider that SOLIGNUM is all that you claim it to be. We have treated over three hundred wooden buildings and miles of fencing, and in every case our customers have been pleased.

"It is not only a good preservative, but a very good disinfectant. It looks better than paint and does not require doing over again." (Signed, J. WILCOX.)

The above is only one of hundreds of testimonials that may be seen at our office. Copies may be had on application, with price lists and shade cards, from
