Watch Repairing

has been gained by years of experience. A good watch can easily be injured by slip-shod work for "low prices." But we do perfect work for an honest price, and return every watch in as good condition as expert repairing can put it. Watch results.

Famous Fiction!

Two of the Best Sellers. Have You Read Them?

THE COMMON LAW.

(By Robert W. Chambers.) A great love story of society and studio life in New York. It has all the interest and fascination of the best society novels and there is the added charm of the gay artist's life with its frank camaraderie, its witty small talk, its undisguised disregard of convention. Love triumphant over tradition is the concluding note of the story.

THE HAUNTED PAJAMAS.

(by Francis Perry Elliott.) A pair of red silk pajamas created all the mystery in this fascinating story. They were sent to a New York clubman by a friend in China, and they proved the means of making a dignified young society man the wildest, maddest kind of a rascal, while a beautiful young lady was forced into pranks that were quite inexplicable to her friends. And so these bits of Chinese Silk went on—leading to adventures that make up a story of continuous fun, sparkle and mystery.

Bound in cloth and illustrated, 50c. each; 2c. extra per volume if mailed.
