Notice.

The large and increasing number
of visitors to the General Hospital of
Sunday afternoons has become a
great inconvenience and results in
conditions detrimental to the well-
being of the patients. Relatives of
patients who are seriously ill can at
all times obtain permission to see
them, but it has become necessary to
restrict the general admission of visi-
tors on Sunday afternoons in future
to those who have previously obtained
tickets. These tickets may be secured
upon application at the Hospital any
time during the week, but will not be
issued on Sundays. Intending visitors
will therefore have to obtain tickets
not later than Saturday afternoon.
Children will not be permitted.
L. E. KEEGAN,
Sincerely, etc.
