**THE AVOIDANCE** of Accident is not entirely under your control. When you ride in trains, street cars, motor cars, cabs or boats, your safety lies with someone else. While you walk the street you are in danger from another's carelessness. Nor are you immune in your own home. A carpet tack, a loose stair rod, a child's toy laying around may cause weeks of disability.  
Therefore, you need Protection all the time  
This \$34,000,000 Company gives you the Best protection for the least cost.
