A Wonderful Change.

Time and the course of events work wonderful changes in the political as well as in the social world.

Little more than ten years ago slavery was a recognized institution in the United States, and her people were engaged in a most disastrous and cruel internecine war, the chief cause of which was that very institution which the South so doggedly upheld, and which the North was just as doggedly determined to put down. And put down it was, and for ever wiped out of existence by Lincoln's proclamation, which declared the black man as free as his white master, and every position calling open to him if he had only the ability to fill it.

The fruits of this social as well as political revolution are every day being made more manifest, and one of the most notable instances of this occurred the other day, when Congress having resolved itself into Committee of the Whole, a colored representative of South Carolina named Rainer was called to preside as chairman. This man was born a slave in Georgetown in 1832, and in all probability would have remained a slave but for the war and its results, which lifted him from his degraded position, and gave him an honorable place among the representatives of the Republic.

We notice also a remarkable change of feeling on the part of most of the Southerners towards their old political opponents in the North. On the day when eulogies were pronounced on the late Charles Sumner in Congress, Mr. Lamar, of Mississippi, an out and out Democrat, a regular fire eater of the old Southern school, and a noted rebel during the war, rose unasked, and paid a well deserved tribute to the memory and virtues of the great statesman, who had so strenuously fought for the abolition of slavery, for the prosecution of the war and the subjugation of the South. He also made an eloquent appeal to the people both North and South to forget the past, to allow the sores of the past to heal over, and to unite together in peaceful and harmonious efforts for the advancement of their common country. It is gratifying to hear such sentiments from the lips of this fiery Southerner, as it is to hear him use the following words in regard to Mr. Sumner— "In his zeal and earnest warfare against the wrong, as he viewed it, there entered no enduring personal animosity toward the men whose lot it was to be born to the system which he denounced. This was shown in the kindness and sympathy which in these later years he displayed towards the impoverished and suffering South in raising his voice in behalf of amnesty for the vanquished, and his proposition to erase from the banners of the national army the mementoes of the bloody internal struggle which might be regarded as assailing the pride or wounding the sensibilities of the Southern people. That proposal will never be forgotten by that people so long as the name of Charles Sumner lives in the memory of man."

Although the Intercolonial Commissioner's Board has been abolished by an act of this session, it is stated that Mr. Brydges will still remain in connection with the Public Works Department, till that road is put in running order.

Hon. Mr. Crooks, Provincial Treasurer leaves for England by the Allan steamer of the 9th instant on business connected with his department. He will take advantage of his visit to examine into the immigration agencies, and to transact other public matters of importance to Ontario.

ENGLISH LABOURERS FOR CANADA.

The steamship Prussian, which sailed from Liverpool on the 29th ult. for Quebec, took with her fifty Warwickshire farm hands and one hundred and twenty children, all bound to find a home in Canada. The next steamer will carry 150 labourers from the agricultural district, who will, no doubt, bring a large number of children too. This will be two hundred of the elite of the labouring class of England, with a large contingent of young people to grow up into Canadian farmers.

HAMILTON AND NORTH-WESTERN RAILWAY.

The annual meeting of the shareholders of this company was held at Hamilton on Monday. The report states that bonuses to the amount of \$554,000 have been obtained from different municipalities interested in the construction of the road. Reference is also made to the grant of \$2,500 per mile for 129 miles between Hamilton and Barrie from the Ontario Government, with an additional \$500 per mile for 44 miles of exceptionally costly road. These grants are equivalent to \$3,925 per mile for the line between Hamilton, Barrie and Collingwood.

The location surveys are being proceeded with as rapidly as possible, preparatory to the commencement of construction, and steps are being taken to secure municipal aid for the extension of the line north of Barrie to the waters of the Georgian Bay. The prospects of the road are very encouraging.

TO THE PEOPLE.—My Polar and Tropical Worlds can not be procured from me by the single copy, as I sell only through my agents, neither is it for sale in any bookstore, nor will it ever be.

Mr. Anderson and Mr. Day, book dealers in Guelph, have both ordered a copy at retail price for their own use. Over 600 orders have already been taken in Wellington County, and not one fifth of the territory has been canvassed. The above work has received the highest recommendations from good judges of books everywhere. Out of over 200 Clergymen and school inspectors in Ontario who have been asked to examine its merits, only one has refused to give it his personal recommendation. My price for the volume is much less than the same work in England, as can be seen by consulting Longman, Green & Co.'s catalogue, J. M. Lyon, publisher Guelph.

The actual number of officers and men who died in the battle or succumbed to sickness on the Gold Coast was one hundred, but the number of invalids or wounded was 1,000.

NEW POST OFFICE.

Mr. James McQueen has the plan of a new post-office to cost about \$4,000. The front will be of cut stone, and the building will be two stories high. The building will be 45x45; 20 feet frontage to be occupied by a store, with cellar underneath, and the post office proper to have a frontage of 12 feet, and run back 24 feet, with a kitchen 18x24 in the rear, and cellar below. The second story will contain 9 apartments. The contracts have been let as follows:—Mason work, Chas. Young, \$1,780; plastering, Joseph Strachan, \$474; carpenter, tinmith work and painting, J. & A. Moffatt, for \$1,500. The building is to be finished by November 1st.

FOXES CAUGHT.—Mr. James Rooney, of this village, caught three young foxes in Wilkie's bush last week.

APPOINTMENT.—Our townsman Robert Archer Alexander, M. D., of the firm of Drs. Orton and Alexander, has been appointed Associate Coroner for the County of Wellington.

SMALL POX.—Mr. Cummings is rapidly recovering, and is expected to be round in a few days. This is the last of the two cases of small-pox in the village.

CRICKET.—The members of the cricket club levelled their cricket ground for practice, and will soon be in regular practice.

FLOWERS.—Look out for the large display of lawn flowers at Mr. Ritchie's about the last of the week. He purchased them from Gihrist Bros., Guelph.

SUCCESS.—Mr. R. Ballantyne, agent for the "Polar and Tropical Worlds" for the Townships of Pilkington, Nichol, and the three first lines of Garafraxa, has taken seventy orders in the village of Ferguson up to Tuesday night. In his list are the names of A. D. Forsyth, Inspector of Schools, John Thomson, E. A. Master of High School, John Beatty, Jas. McQueen, W. L. Smellie, Bookseller, A. S. Cadenhead, Crown Land Agent, A. D. Ferrier, the ministers of the village, and the following merchants:—John Ironside, C. Fowney, W. Pattison, Henry Michie, James Argo. Mr. Ballantyne has now started to canvass the three first concessions of Garafraxa, where he will likely meet with the success he deserves, as the book is very highly spoken of.

RATHER REMARKABLE.—At the Court of Revision held on Monday, the Clerk reported that he had no appeals to lay before the Court. At the instance of the Assessor a few trifling alterations were made in the roll, and a committee was appointed to correct any palpable errors that might be found before the roll is confirmed.

Palmer in Correspondence.

Neiland's Hotel took fire on Wednesday night, 29th ult., from the explosion of a lamp which had been left dimly burning. The inmates had retired to bed, but Mrs. Neiland being awake heard the explosion and gave the alarm, and the fire was extinguished without doing much damage. In getting past the flames upstairs, some of the boarders were slightly burned.

A LITTLE ABERDEEN boy, who had been taught that time is money, appeared at the bank the other day, and remarked that he had had an hour given him, and he would like to spend a quarter of an hour, and would take the change for the other three-quarters.

BIRTHS.

SCOTT.—At lot No. 14, Gore of Peulach, on the 29th ult., the wife of Mr. John Scott, of a son.

SWINFORD.—As Assiniboise Terrace, Winnipeg, on the 5th inst., the wife of Mr. Herbert Swinford, of a daughter.

SCOTT.—On the 27th April, the wife of Mr. Geo. Scott, Nichol, of a son.

DIED.

OSBURN.—In Eramosa, on the 26th ult., Mrs. Lydia Osburn, aged 74 years. She was the first female in the township, having moved there from the township of Glanford in the year 1859.
