SIR JOHN A. MACDONALD'S STATUE

Unveiled by the Present Premier of
the Dominion

In the Presence of a Large Crowd of Spectators—A Number of Public Men Present—Rain Curtails the Proceedings.

HAMILTON, Nov. 1.—The ceremony of unveiling the statue of the late Sir John A. Macdonald took place this afternoon on the gorge at the intersection of John and

Shortly after 3 o'clock Senator Sanford, chairman of the committee, followed by Sir John Thompson, Sir O. Mowat, Sir A.

Caron, Hon. C. H. Tupper, Hon. Clarke Wallace and others, ascended the platform, and were received with cheers. Rain began to fall, but the crowd waited.

The Bishop of Niagara offered a prayer. Senator Sanford made a few remarks, stat-

ing the object of the gathering and at once called on Sir John Thompson, who before unveiling the statue, congratulated the city of Hamilton on being first to erect a statue in memory of Sir John Macdonald. He then pressed an electric button and the

Sir John Thompson then read an address

Addresses were also given by Sir A. Caron, Sir Chas. H. Tupper and Sir O. Mowat. During the addresses of the last two speakers rain began to fall heavily, and the proceedings were curtailed.

The statue, which is cast in bronze, is 8 feet 3 inches in height. It presents Sir John with closely buttoned frock coat, standing in an easy posture, with right arm slightly extended, and a pleasant expression on his face as though addressing

pression during race, as though addressing a sympathetic audience. The pyramid-shaped pedestal, on which it stands is 11 feet high, of gray New Brunswick granite. The names of each of the provinces are carved upon the pedestal, and upon the front is a carved shield with

an inscription bearing the name: "The Rt. Hon. John Alexander Macdonald," with his titles and the date and place of his birth and death. At the bottom of the shield are the words: "A Canadian statesman who valued British institutions as a

The cost of the statue alone was \$3,500 and the total cost of the memorial will be

At 6:30 in the evening Sir John Thompson and the other Ministers of the Crown left for the east to attend the funeral of Sir John Abbott and the dinner to have been given by Senator Sanford had to be can-

In the earlier part of the day Sir John Thompson and Sir Oliver Mowat were received in the court house by the Hamilton Law Society and were then dined at the Hamilton Club.

THE GRAND TRUNK.

Port Huron People Exercised in Regard
to the Movements of Officials.

PORT HURON, Mich., Nov. 1.—A special

train consisting of two official cars and a tunnel engine, and containing several officers of the Grand Trunk and Lehigh Valley railroads, stopped here on a mysterious errand. An air of secrecy was maintained about the whole affair, not a

The cars were drawn by the huge engine No. 691, of the St. Clair Tunnel Company, which contains an electric dynamo and search light.

The company included Sir Henry Tyler, mechanical Superintendent Roberts, Assistant Slack, Chief Engineer Hobson, all of the Grand Trunk; Mechanical Superintendent Sayer, of the Lehigh Valley, and prominent Pennsylvania railroad officials. They came from Grand Trunk, the

They came from Canada yesterday afternoon, the entire company occupying comfortable seats on a flat car in front of the engine, on their way through the tunnel. It transpires that one purpose of the trip on the part of the Pennsylvania railroad officials is to inspect the neighborhood of the

It is to inspect the mechanism of the tunnel, with a view of giving the Grand trunk a large amount of business. The special train left here for Detroit. The tour is also said to be the forerunner of a deal for a complete change in the management of the Grand Trunk.
