Ways and Means Will Be Considered at Meeting Tonight.

at Meeting Tonight.

There will be a meeting in the city hall tonight at 8 o'clock to consider ways and means of raising funds to provide for the maintenance of playrounds and swimming baths for the youngsters of the city.

Some time ago sufficient money was obtained to fix up the Gerry and Park Flats as playgrounds, and also to rent the swimming baths at the foot of Dundas street to give the boys and girls of London free baths.

The funds necessary to carry on this work are not now available, and, it is proposed to call a public meeting to discuss the question. It is expected that a large number of the ratepayers will be present.

All those interested in this important matter should be present.
